

Dispatch Work From Home

An easy way to caffeinate
your remote workforce

DISPATCH

What is it?

Coffee perks for your remote employees.
High quality and ethical coffee delivered
straight to your employee's doorsteps.

Who is this for?

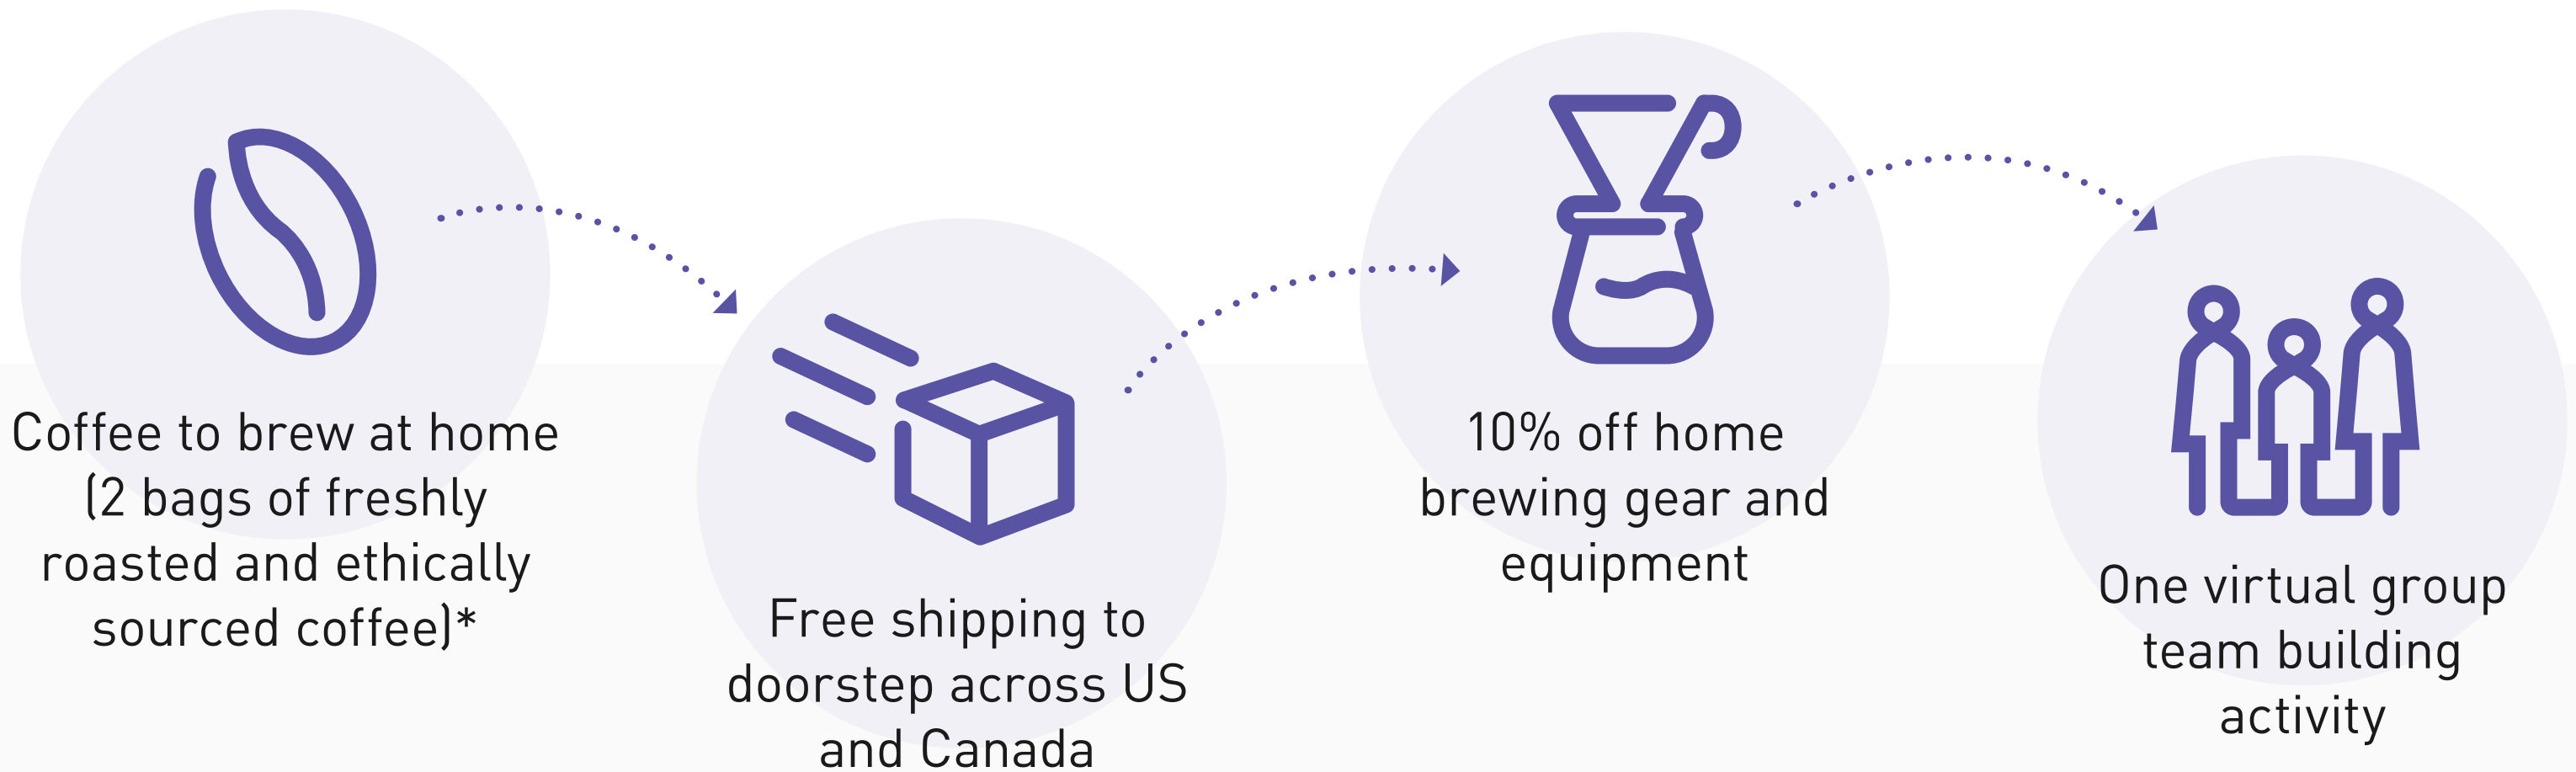

- ✓ Employers with remote teams looking to extend office perks
- ✓ Companies with 5 to 5000 employees
- ✓ Canadian or US based employers and employees

Also great for Employers looking to gift employees on special occasion or holidays

What do you get for \$39 per employee?

* Our coffee menu is as diverse as your employees tastes. Your team is in control of their own coffee plans, and can select their own coffee each month from our website. Our coffee comes in whole bean format, or ground for up to 6 different common brew settings

Choose how much you want to subsidize

A flexible mix of company funded or employee funded plans

Employer subsidy	Monthly cost to employer per employee	Monthly cost to employee
