The \$50 reward will be issued as a virtual prepaid Visa card within 7 days after the referred friend completes their annual membership payment (without getting a refund or canceling their membership in that time)

  - The virtual prepaid Visa card will be delivered both in the app and via email to the referring participant. Please note, if you have an Apple Private Relay email account, you will not receive an email alerting you to receipt of your Visa gift card. - **Cancellation and Refund Policy:**
  - If the referred friend cancels and requests a refund within 7 days of paying for the annual membership, the referring participant's reward (whether a prepaid Visa card or lifetime membership) will be canceled
  - If the referred friend requests a refund after the 7-day period and the referrer has already redeemed the reward, Origin will flag the referrer for potential fraud and conduct further investigation
- **Fraud Prevention:** Origin has implemented measures to mitigate potential fraud scenarios and reserves the right to investigate and take appropriate action against suspected fraudulent activities
