Waiver and Release

I hereby consent to my child's attendance at and participation in the activities provided at the Omaha Children's Museum ("OCM") and any OCM Camp ("Camp"). I hereby release, on behalf of myself, my child, any other legal parent or legal guardian of my child and all persons that may have a potential claim, demand or cause of action of any kind whatsoever, against OCM and its directors, officers, employees, agents, representatives and volunteers from any and all liability relating to, arising out of or in connection with OCM and/or my child's attendance at and/or participation in OCM and Camp activities, including, but not limited to, any illness or injury sustained at OCM. I hereby voluntarily assume full responsibility for any risk of loss, property damage or personal injury that may result from my child's participation in activities at OCM. Further, I hereby specifically release and hold harmless OCM and its directors, officers, employees, agents, representatives and volunteers from any actions associated with obtaining, or refraining from obtaining, necessary medical treatment for my child in accordance with my instructions. I agree to remain fully liable and responsible for the payment of any hospital, doctor, ambulance, dental or medical fees incurred by my child. I further agree that OCM does not assume any responsibility or liability for the payment of such fees which may be incurred.

I hereby understand that OCM does not administer medication and agree that OCM and its directors, officers, employees, agents, representatives and volunteers shall not be liable or responsible in any way for the administration of medication to my child.

I agree to indemnify OCM for any claims brought by me or a third party for any costs associated with defending or litigating such claims including, but not limited to, attorney's fees, costs and legal expenses.

I have carefully read and understand this Waiver and Release.

Photo Authorization

My child can be photographed and I authorize photogra □ Yes □No	phs to be used for museum promotional purposes.

Omaha Children's Museum

Summer Camp Illness Policy

Omaha Children's Museum has a duty to ensure that all children and staff are protected from illness and infectious diseases.

The Manager of Learning Experiences will notify a parent or emergency contact if the child exhibits symptoms such as:

- Unusual behavior for the child, lethargy
- Temperature of 100 degrees or higher by measurement in the ear
- Vomiting
- Diarrhea
- Discharge from the eye or ear
- Skin with spots, rashes, blisters, crusty or weepy sores
- Headache
- Continuous scratching of skin or scalp
- Difficulty swallowing or complaining of sore throat
- Persistent or prolonged coughing

If a child is deemed unwell and unable to continue with camp, parents will be notified and will be asked to collect their child within <u>one hour</u> from the time the phone call is made. Omaha Children's Museum Staff are not healthcare professionals; therefore, a healthcare professional should be consulted to ensure symptoms are not infectious.

Children must be on antibiotics for 24 hours before returning to camp.

- ✓ Fever: Children will not be permitted back into camp until they have been fever free for 24 hours
- ✓ <u>Moist Discharge:</u> Depending on the nature of the illness (sticky eyes, skin sores), children will not be permitted to attend camp until a doctor's note has been presented.
- ✓ <u>Vomiting and Diarrhea:</u> Children are not permitted to attend camp until **36 hours** after the last episode of vomiting or diarrhea.
- ✓ <u>Lice:</u> Children will not be allowed to attend camp if they have live head lice until the **day after** treatment and all eggs have been removed.
- ✓ **Common Cold:** Keep the child home until mucus is no longer green/yellow in color.

If parents or emergency contact persons **cannot be contacted** and a child is sufficiently ill or distressed because of an illness, an ambulance will be called to send the child to the hospital.

The Manager of Learning Experiences has the final say on whether a child is able to stay at camp and can also override a doctor's certificate permitting attendance.
