AGES 4-5

Barbie: You Can Be Anything! Camp **NEW!**

Barbie has had a lot of careers over the years, inspiring boys and girls to follow their dreams and become anything they want to be. Each day, we'll explore different S.T.E.A.M. careers Barbie has taken on over the years.

Beep Beep Go Go Camp **NEW!**

Fans of Cory Carson will love this summer camp exploring all the things that go go go. Through activities and experiments, we'll learn about different means of transport from helicopters and bulldozers to, of course, cars like Cory. Each day will feature a different 8-minute episode of *Go Go Cory Carson* during snack time.

Brick Builders Camp **NEW!**

Each day of our Brick Builders Camp is inspired by different LEGO® themes, from LEGO® City Adventures to LEGO® Friends. The engineering challenges in each activity will spark the imagination and a lot of laughter.

Jr. Olympians Camp

Lace up your sneakers and stretch those muscles, this camp is all about the 2021 Summer Olympics! A range of competitive sports will be explored, and children will also learn how some sports are adapted for athletes with disabilities. Throughout the week, campers will work on social skills while staying active through play and friendly competition.

Kids in the Kitchen Jr.

Meet us in the kitchen for a fun week of camp! Through food, kids will learn S.T.E.A.M. (Science, Technology, Engineering, Art, and Mathematics) concepts and culinary history while preparing recipes each day. Please indicate known food allergies on the medical form.

Mini Camp Mash-Up

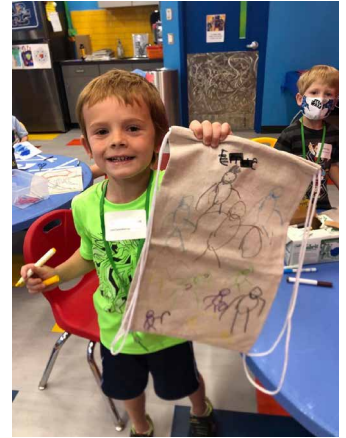

Mini Camp Mash-Up takes campers on a new themed adventure each day based on the museum's most popular camps this year and in previous years. It's a surprise what each day will be, but we promise, it's going to be a lot of fun!

Don't Let Pigeon Teach

This Camp **NEW!**

Mo Willems is the creative author and illustrator of many beloved children's books, including *Elephant & Piggie*, *Knuffle Bunny*, and of course, the *Pigeon* series. Each day, we'll explore a new book of his and do experiments and crafts based on the characters and story.

PJ Masks Superhero Academy **NEW!**

Each day, campers will go on adventures inspired by the characters Owlette, Gecko, and Cat Boy. We'll learn about the real inspirations behind their characters (cats, owls, and geckos) and do experiments based on their superpowers. Before the camp is over, each child will have created their own superhero persona!

My Princess Dream

Always a favorite each year, My Princess Dream is an enchanting camp where campers learn to be a princess. In a newer twist, campers will also learn about princesses' friends like the unicorn. This camp is perfect for little ones with big imaginations who love to sing and dance.

NEIGHBORHOOD CAMP (AGES 5-8)

Game On!

Spend your mornings at The Rose Theater and your afternoons at Omaha Children's Museum. Students will use their bodies, voices, and imaginations to explore and act out delightful stories inspired by the summer exhibit *Game On*.

AGES 6-8

Advanced Wizardry Academy

Wizardry Academy isn't quite Hogwarts, but it's close. This popular summer camp ventures into the world of Harry Potter through imaginative play and science experiments. We'll explore some of the First Year core subjects including potions and charms, as well as extracurricular studies in fantastic beasts and Quidditch.

Camp Mash-Up

Camp Mash-Up takes campers on a new themed adventure each day based on the museum's most popular camps this year and in previous years. It's a surprise what each day will be, but we promise, it's going to be a lot of fun!

Hot Wheels Stunt Squad **NEW!**

Every day is a new Hot Wheels adventure! Campers will design their own cars and tracks, and explore the physics and engineering behind test runs.

Camp Hatchtopia **NEW!**

Sure, Hatchimals like Cheetree, Penguala and Puppit may be fictional creatures, but the proper caretaking techniques for them are real. During the week, campers will develop their own Hatchimal, while we dive into the science and biology behind some of the real creatures Hatchimals resemble.

Kids in the Kitchen

Meet us in the kitchen for a fun week of camp! Through food, kids will learn S.T.E.A.M. (Science, Technology, Engineering, Art, and Mathematics) concepts and culinary history while preparing recipes each day. Please indicate known food allergies on the medical form.

Agents of C.A.M.P. **NEW!**

Spider Man, Captain America, the Hulk, Black Panther, Groot, Storm, and more join us in this camp as we analyze different Marvel heroes. We'll look at the science of superpowers, and develop our own Marvel characters. By the end of the week, we'll know what it takes to join the Avengers!

Mad Scientist Camp **NEW!**

Mwua ha ha ha! Mad Scientist Camp takes the highlights of the museum's popular science shows and teaches campers how to perform the experiments themselves. Throughout the week, campers will grow their own Igor with Polyurethane foam, control currents with squishy circuits, create volcanic eruptions using things you can find in your own kitchen, and so much more!

Olympians Camp

Lace up your sneakers and stretch those muscles, this camp is all about the 2021 Summer Olympics! A range of competitive sports will be explored, and children will also learn how some sports are adapted for athletes with disabilities. Throughout the week, campers will work on social skills while staying active through play and friendly competition.

Professor Oak's Training Camp

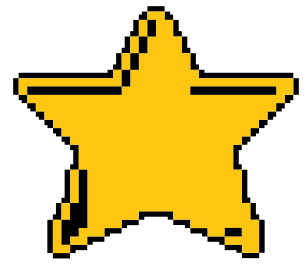

Gotta catch 'em all! Whether you dream of being a trainer or you're just curious about the legendary world of Pokémon, this imaginative camp explores powers and legends behind some of the most popular characters through games, crafts, and experiments.

S.T.E.A.M. Time Travelers

This camp is all about Science, Technology, Engineering, Art, and Mathematics exploration and the history-making leaders in each field. We'll introduce campers to men and women in the S.T.E.A.M. fields through hands-on experiments and projects related to their discoveries.

IMPORTANT INFORMATION

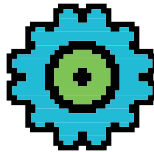

Omaha Children's Museum's summer camps feature engaging curriculum and great instructors who make every day exciting and new. Camps include daily play in the museum, a snack, and a Meet the Teacher Night. Whether your child wants to experiment in our kitchen or learn about wizards, superheroes, or the Olympics, Omaha Children's Museum has the perfect summer camp.
