

How to Install Small Ideas to iPhone Home Screen

Step 1:

Go to www.smallideasnsw.com.au on your smart phone.

Click the up arrow in box on bottom toolbar (as circled in red below)

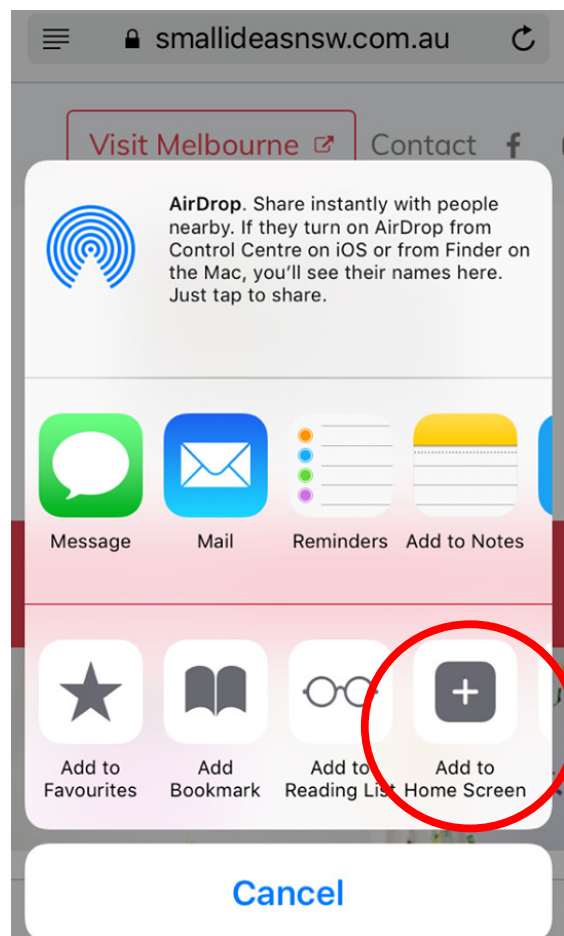

Step 2:

Once you click boxed up arrow, a menu will appear.

Click the option to 'Add to Home Screen' (circled in red below)

This will create an app icon onto your phone's home screen to make access to you membership easy & quick

How to Install Small Ideas to iPhone Home Screen

Step 3:

Once you have saved Small Ideas to your home screen it should appear similar to image below.

Step 4:

Open up your Small Ideas app, click on the 3 lined bar (circled in green below) and you can select to Explore Listings or Login.

Once you Login you can view your Member Dashboard where you can view all your saved vouchers & Redeem once at point of sale.
