

Measurements

Year 2 / P3

Activity 1

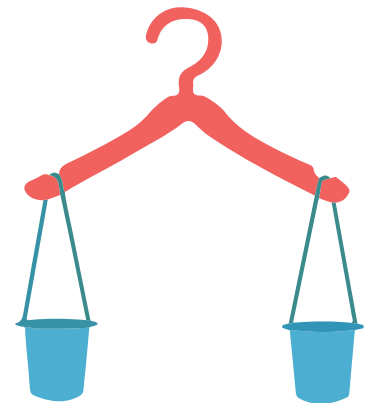

List or draw 5 things that are lighter than a book.

Activity 2

Make your own scales. Ask an adult to supervise

You will need:

- A coat hanger
- 2 pieces of string of equal length
- 2 containers that are the same
e.g. yoghurt/soup/fruit pots

- 1 Poke 2 holes either side of your plastic pots.
- 2 Make a 'handle' by tying a piece of string to each pot.
- 3 Hang one pot on either side of the coat hanger.
- 4 Find someone to hold their finger out and place the hanger on it. You could also find a hook.
- 5 Place objects in opposite pots to see which is heavier.
- 6 Can you make your scales balance

Measurements

Year 2 / P3

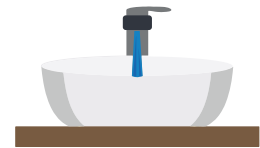

Activity 3

Circle the item with the largest capacity. This means they could hold the most liquid.
