

DELUXE

COMPACT KIT BAG

OEL™

Deluxe Kit bag does not include tools or glove bag

OEL's Arc Flash Deluxe Kits bags are designed with the greatest details in mind. Industrial grade hook and loop enclosures, safely and soundly secure straps. Robust nylon straps evenly distribute weight. The OEL Deluxe Kit Bags boasts a modern design, while featuring heavy-duty zippers, and multiple stage pockets. 360 degrees of padding makes the OEL Deluxe bags ideal for equipment storage. The Deluxe Kit bags are wrapped in high-grade industrial canvas.

OEL Worldwide Industries Arc Flash Suppression Blankets are the highest quality in the electrical safety industry. Designed to be used for the most critical working conditions. **CAUTION:** Because of the unpredictability of electrical discharges, the Arc Suppression Blanket may not totally contain arcs and flashes, but only reduce or limit exposure and incendiary effects. In such cases, injuries may still occur, even when the blanket is properly used.
