ARC FLASH PPE | INSULATED TOOLS | RUBBER GLOVES

#### TERMS

From the date of invoicing, net 30 days. All orders are subject to OEL credit approval. Visa/ MasterCard/ American Express accepted.

#### PRICING

Pricing is contingent on cost and availability of materials and are subject to change without notice.

#### MINIMUM ORDER

OEL reserves the right to require minimum quantities for custom orders. Minimum Order(s) \$100

#### FREIGHT

All shipments are sent UPS and are an add-to-invoice unless other shipping arrangements are made in advance.

#### DROP SHIPMENTS

Will be made under the same freight policy mentioned above.

#### RUSH ORDERS

While rush orders are not always available, they are subject to a 15% expediting and administrative fee.

#### REPAIR AND REWORK POLICY

OEL apparel products are guaranteed from defects in workmanship only. If any product is defective, contact OEL Customer Service for a Return Merchandise Authorization (RMA) prior to returning the product. Apparel is guaranteed for 90 days. Hand tools are

guaranteed for life (torques and ratchets 90 days from invoicing). Robo Tools are guaranteed for 90 days. Contact Customer Service for other additional OEM warranty details. OEL reserves the right to determine whether or not a product is defective. OEL reserves the right to repair or replace product if it has been determined to be defective.

#### MADE TO ORDER/CUSTOM

OEL offers custom and made-to-order apparel and tool kits. OEL authorized Distributors and Sales Representatives are available to assist in selecting the correct size and quantities. Additional up-charges may apply as well as set-up fees and additional costs for custom embroidery. Minimum quantities may also apply to custom orders. Custom and made-to-order apparel and private branded product are non-returnable.

#### RETURNED GOODS POLICY

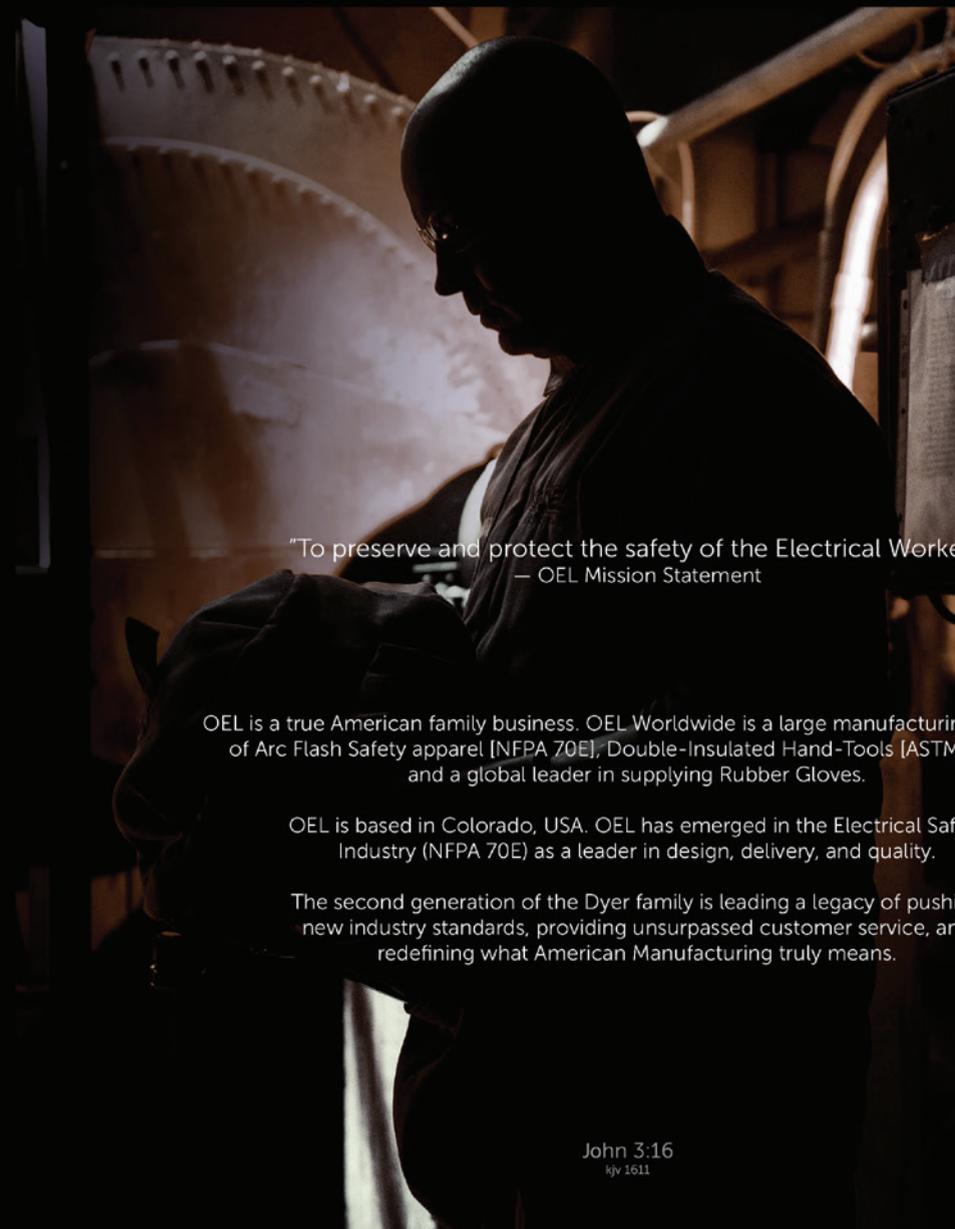

Returned goods must be stock products. They must be in excellent condition, in the original packaging and not more than 90 days old (from invoicing date). Returned goods must be accompanied with an OEL Worldwide issued Return Merchandise Authorization (RMA) and are subject to a 20% restocking fee plus return freight charges. OEL reserves the right to reject returned product if the aforementioned requirements have not been met.

Made-to-order /Custom orders are non-returnable.

#### MATERIAL CLEANING AND CARE GUIDELINES

For basic guidelines contact an OEL authorized regional Distributor or OEL Sales Representative.

For more details contact OEL Customer Service.

"To preserve and protect the safety of the Electrical Worker."  
— OEL Mission Statement

OEL is a true American family business. OEL Worldwide is a large manufacturing company of Arc Flash Safety apparel [NFPA 70E], Double-Insulated Hand-Tools [ASTM 1505-1], and a global leader in supplying Rubber Gloves.

OEL is based in Colorado, USA. OEL has emerged in the Electrical Safety Industry (NFPA 70E) as a leader in design, delivery, and quality.

The second generation of the Dyer family is leading a legacy of pushing new industry standards, providing unsurpassed customer service, and redefining what American Manufacturing truly means.

THE MOST TRUSTED BRAND IN ELECTRICAL SAFETY

# THE FUTURE IS CLEAR

## Advanced Color Differentiation Technology

Premium anti-fog coated single window  
highly transparent 3Phase™ lift-front hood  
Meets NFPA 70E; Meets/Tests ASTM F2178; ANSI Z87+S; Rated 40 cal/cm<sup>2</sup>

This product maximizes the ATPV (Arc Thermal Protection Value) of 40 cal/cm<sup>2</sup> with a grey color providing excellent field of view and an ergonomic assembly that is convenient for the worker.
