

Mobile Showroom

With over 150 years' experience and millions of products installed worldwide – from pushbutton locks and door closers, to highly complex, networked access solutions with smart phone access – dormakaba is your reliable partner for secure and flexible access.

There wherever you need us, our new mobile showroom helps you plan your future path, making access smarter and more secure. Our mobile showroom aims to satisfy your curiosity, allowing you to view and try the comprehensive products, solutions and services in the most convenient place for you, from a single supplier, dormakaba.
