National Geographic Sea Lion

GUESTS	CABINS
62	31

A U.S.-flagged vessel, she and her sister *National Geographic Sea Bird* discover domestic waters

Before they built the *National Geographic Venture* and *National Geographic Quest*, U.S. shipbuilder Nichols Brothers built the twin ships *National Geographic Sea Lion* and *National Geographic Sea Bird*. Nimble, reliable and intimately scaled, they both continue to sail the waters of the west coast of North America and Central America.

National Geographic Sea Lion accommodates just 62 guests in 31 outside cabins. Her inviting public spaces foster a sense of shipboard life where everyone is integral to the adventure, engendering a rewarding sense of community and esprit du corps. *National Geographic* writer Andrew Evans called *National Geographic Sea Lion* the "closest thing to Cousteau's *Calypso*" he's ever had the pleasure to be on.

With a shallow draft and small size, she can easily reach places inaccessible to larger ships. She can venture into fast-moving channels where whales come to feed, transit a series of locks in the Pacific Northwest, nose up to waterfalls in secluded coves and sail into protected anchorages in small bays perfect for snorkeling and kayaking.

Cabin Categories

Category 1

MAIN DECK **#300-305**

Conveniently located between the dining room and lounge, these cabins feature two single beds, and a large window. All cabins feature a closet, two nightstands, and sink/vanity with large mirror outside the bathroom.

Category 2

BRIDGE DECK **#101-104**

UPPER DECK **#200-212, 215**

These well-located cabins include two single beds and a window. Cabin doors and windows open to the outside. Cabins feature a closet, two nightstands, closet, and sink/vanity with large mirror outside the bathroom.

Category 3

UPPER DECK **#214, 216, 217, 219**

These cabins include two single beds that can convert to a double bed and a pullout murphy bed for a third person. Cabins feature a small table, two chairs, large double closet, sink/vanity with large mirror outside the bathroom, and two windows. Cabin doors and windows open to the outside. Third person rates are available in certain categories at one-half the double occupancy rate.

Category 3

BRIDGE DECK **#105, 106**

These cabins include two single beds. Cabins feature a small table, two chairs, large double closet, sink/vanity with large mirror outside the bathroom, and two windows. Cabin doors and windows open to the outside.

Note:

Solo occupancy cabins are available in Categories 1 and 2 only. Third person rates are available in certain categories at one half the double occupancy rate.

Shared Accommodations:

Shares can be arranged at the double occupancy rate in Categories 1 and 2 only.

Ship Amenities

Public Areas

A library; global market; lounge with full-service bar and facilities for films, slideshows and presentations; observation deck; partially covered sun deck with chairs and tables. Our "open bridge" provides guests an opportunity to meet our officers and Captain and learn about navigation.

Meals

Meals are served in the dining room at a single seating with unassigned tables for an informal atmosphere and easy mingling. Menus feature sustainable choices, local where possible.

Cabins

All cabins face outside with windows, private bathroom, and climate controls. Cabins are equipped with WiFi, multiple electrical and USB outlets. Botanically inspired shampoo, conditioner, shower gel, and lotion are all available in cabin bathrooms, as well as an Expedition Essential Kit. Hair dryers, complimentary insulated water bottles and a National Geographic Atlas is available in each cabin.

Expedition Equipment

A fleet of 6 Zodiacs and 16 kayaks, paddleboards, Remotely Operated Vehicle (ROV), hydrophone, splash-cam, underwater video camera, video microscope, snorkeling gear and wet suits for all guests (where applicable).

Special Features

National Geographic-Lindblad Expeditions certified photo instructor, undersea specialist and video chronicler.

Wellness

A fitness center with elliptical, treadmill, weights and resistance bands.

Self-Disinfecting Ships

ACT Clean CoatTM is a light-activated, self-disinfecting cleaning process that continuously breaks down viruses, bacteria, mold, and airborne allergens across all ship surfaces. Not only does this create a cleaner, healthier shipboard environment for guests and crew alike, but this non-toxic, chemical-free system also saves more than one million gallons of water each year in our cleaning procedures, and reduces our carbon footprint as well as the amount of plastic and waste in our supply chain.
