A new addition to our Egypt offerings, the elegant *Sun Goddess* carries a maximum of only 60 guests in 30 spacious suites, providing an intimate and exceptionally comfortable experience on the world's longest river. Featuring a separate sitting area and a balcony, each suite is a relaxing and sophisticated environment to observe 5,000 years of history unfolding along the Nile's banks.

Recently renovated in 2019, *Sun Goddess* is awash in soothing natural wood tones and an inviting ambience that imbues all five decks. Of the ship's many common spaces, the highlight is her expansive Sun Deck offering open-air amenities and panoramic views of the Nile. With lounge chairs shaded by umbrellas, alfresco dining, and a refreshing swimming pool and Jacuzzi, it's an enticing place to rest and recharge between visits to the region's extraordinary temples and tombs.

Inside the ship, there are equally inviting public spaces to enjoy, from the airy dining room lined with large portholes to the well-appointed lounge with its eye-catching golden bar. Order your favorite beverage and pull up a seat as our Egyptologists and certified photo instructors discuss the day's adventures during Lindblad's signature daily Recap.
