**Challenge Name:** "ACME Mobile App Design Concepts Challenge"

<https://www.topcoder.com/challenges/3007xxxx/?type=design&noncache=true>

## Notes

- My design was based on branding guidelines provided in the challenge
- The look and feel is base on 'dribbble' style that currently trending in the internet
- You can simulate the design interaction from Marvel App, I provide Hotspot so you can get better picture about my design
