

RESIGNATION OF DR. POTENZA FROM THE POSITION OF CHIEF EXECUTIVE OFFICER AND GENERAL MANAGER

Pesaro, 12nd June 2025

Biesse S.p.A. (the "**Company**") announces that Dr. Massimo Potenza, a non-independent director, has resigned from his position as Chief Executive Officer and General Manager (the "**Position**") to explore new professional opportunities. His resignation from the Position is effective as of today (the "**Termination Date**").

"My thanks go to Massimo Potenza for his contribution to the company's transformation journey, which led to the creation of an integrated, multi-material 'One Company' organization. Biesse will continue its development with its usual determination and a pragmatic approach focused on long-term value creation for all stakeholders" commented Roberto Selci, Chairman of the Board.

As of today, Dr. Potenza holds no. 7.100 shares of the Company.

In addition to his fixed monthly remuneration and the emoluments related to the Position accrued up to the Termination Date, the Company will pay a total gross amount of Euro 790.000,00 with the first useful payslip by the end of the month following the Termination Date. This amount will be increased by a gross amount of Euro 10.000,00 as consideration for the transaction (the "**Severance Payment**"). Furthermore, Dr. Potenza will retain certain non-monetary benefits, while he has waived the LTI 2024-2026 Plan.

The Remuneration Policy does not provide for the Severance Payment as formulated. Therefore, the Severance Payment was proposed by the Remuneration Committee to the Board of Directors, which approved it after obtaining a favorable opinion from a committee

composed exclusively of independent and unrelated directors, given that Dr. Potenza is a related party of the Company.

This transaction qualifies as a minor related-party transaction, pursuant to the Regulation adopted by Consob resolution no. 17221 of March 12, 2010, and the related procedure adopted by the Company.

Finally, it is announced that:

- the non-compete agreement, as provided for in the Remuneration Policy, will continue to apply under the agreed terms. The consideration for the non-compete commitments has been set at an annual gross amount of Euro 180.000,00;
- the variable components already received are subject to the application of malus and claw-back clauses, where the conditions for their application are met.

Today, the Board acknowledged the foregoing and appointed Chairman Roberto Selci as the new Chief Executive Officer, granting him the same powers as Dr. Massimo Potenza.
