

Biesse at Ligna 2025

Hanover, 20 February 2025

Ligna will be the international stage where Biesse will continue to showcase the evolution journey it has undertaken to let our customers being more and more competitive and to face dynamic and heterogeneous international markets.

The fair will mark a pivotal moment in this evolution journey. In fact, it fits into Biesse's "**Embrace the evolution**" path, which throughout 2025 will tell and make tangible the company's evolution through a renewed product offering and new ways of interacting with customers.

Multimateriality will be one of the central elements of the exhibition, while still focusing on wood, the undisputed protagonist of the prestigious international fair, now in its fiftieth edition.

Hall 11 - Biesse press tour

Biesse invites journalists to the press event, where the details of this journey will be revealed, on **26 May at 1.30 a.m** at Hall 11, Biesse booth.

BIESSE S.p.A - Biesse is an international company that designs, manufactures and distributes systems and machines for processing wood, glass, stone, metal, plastic and composite materials for the furniture, housing & construction, automotive and aerospace sectors.
