Central to all our plans is care from Kaiser Permanente providers, one of the top ranked medical groups in the state.\* Our doctors, specialists, nurses, and other health professionals all work as a team to support our members' health. This coordinated patient-centered care helps employees live healthier, happier, more productive lives – which all contribute to the growth and success of your business.

### Find the right plan in 3 easy steps

1 Determine how many plans you want to offer

Groups with 1 to 5 employees may offer up to 4 plans.

Groups with 6 to 50 employees may offer any number of plans.

Federal regulations require that groups must have at least one common law employee enrolled to offer coverage.

- 2 Decide on your provider network(s)
  - Core network
  - Options network
  - Summit PPO network
     (Plans only offered in select counties: King, Kitsap, Pierce, Snohomish, Spokane, and Thurston)
  - Access PPO network
- 3 Choose your coverage level(s)

All of our bronze, silver, gold, and platinum plans include the same benefits. The main differences are seen in the monthly premiums versus the member's cost shares.

Dental coverage is required for those 18 and younger and accompanies all Kaiser Permanente medical plans.

## 2025 Adult and pediatric dental coverage

When you select a 2025 Kaiser Permanente medical plan, you can choose to add dental coverage offered through Delta Dental of Washington. Adult coverage is for members and their dependents 19 and older; mandated pediatric coverage is for members or their dependents 18 and younger.

If you purchase the Delta Dental Basic Family or Standard Family plan, both of which include pediatric and adult coverage, you fulfill the federal mandate to provide pediatric dental coverage. However, if you do not purchase a family dental plan, the medical plan will automatically be paired with a pediatric-only dental plan offered by Delta Dental to fulfill the federal mandate. Here is a summary of benefits for the dental plans.

#### Extra dental benefit for members with qualifying conditions

Regular preventive care is especially important for people with certain health conditions. To help reduce the risk of potential problems, our adult plans include a special dental benefit for members 19 and older who are pregnant, managing heart disease, or living with diabetes. Members with these qualifying conditions can receive an extra dental cleaning and exam with a Delta Dental PPO Plus Premier™ provider each year, at no additional charge.

Delta Dental of Washington will notify those who qualify for this extra benefit. Importantly, the member's specific diagnosis will remain confidential. This extra cleaning and exam does apply to the annual maximum benefit.

Pediatric benefits: Only fees paid to a Delta Dental PPO Plus Premier™ dentist accrue to the annual out-of-pocket maximum. Dental premiums will be assessed and billed separately from

1. TMJ = Temporomandibular joint. 2. Requires preauthorization.

This is a brief summary of benefits and does not constitute a contract. For complete plan information, please refer to your Delta Dental of Washington benefits booklet.

#### Visit a participating Delta **Dental network dentist**

We encourage your employees to see a participating dentist. These dentists contract with Delta Dental to provide services at discounted fees and file all claims for their patients. Dentists who are part of Delta Dental's networks will not charge more than their approved fees and cost less than an Out of network dentist.

Your employees may select any licensed dentist to provide services under this plan. However, if they go to an out-of-network dentist, Delta Dental has no control over their fees. Employees will be responsible for submitting their claims and paying any difference in the charges. This is called balance billing.

#### Finding a Delta Dental network dentist

Your employees can visit **deltadentalwa.com** and use the Find a Dentist tool. Just remind them to select the Delta Dental PPO Plus Premier™ network. The online directory is easy to use anytime, on a computer or on a smartphone. Employees can search based on preferences that matter to them, including dentist name, specialty, location, and language. They can even see endorsements from other Delta Dental patients for categories including "extended office hours," "friendly staff, "kid-friendly," and if they make extra efforts to help ease anxiety. Your employees can also call Delta Dental at 1-800-554-1907 for assistance in finding a network dentist.

#### 2025 Pediatric dental coverage

Although coverage for adults is optional, the federal government requires dental coverage for any person 18 and younger. This coverage is referred to as pediatric dental coverage. When you select a 2025 Kaiser Permanente medical plan, it will be paired with the pediatric dental plan that is offered by Delta Dental of Washington unless you select one of the 2 Delta Dental family plans that include this coverage. Here is a summary of Delta Dental's pediatric dental plan benefits.
