

Kaiser Permanente Medical Plans

High-quality care with predictable costs

Choosing a plan that works for you is important, but it doesn't have to be complicated.

Look for convenience:

- Most of our locations let you see your doctor, get lab work or X-rays, and pick up a prescription – all in one trip.
- Skip the trip to your doctor's office with video visits,¹ e-visits, and the option to email your doctor's office with nonurgent questions.^{2,3}

Look for cost savings and efficiency:

- Find a plan that fits your needs, from Plan 1's predictable cost shares and no deductible, to Plan 3, an HSA-qualified plan with the lowest premium of all OEGB medical plans.
- Our coordinated care teams, advanced technology, and preventive focus help provide high-quality treatment and more affordable care.

Look for high-quality care:

- We have one of the largest multispecialty medical groups in the country, so we'll find you a specialist when you need one.
- Our integrated system helps your doctor, nurses, and specialists work together to help keep you healthy. They're connected to each other, and you, through your electronic health record.
