

Treat mum like royalty

We think lots of mums deserve to be treated like royalty, so we designed a special tiara for you to give to her on Mother's Day. First, colour your tiara with lots of beautiful colours. Then, when you're finished, you can pop it on your mum's head and celebrate Mother's Day together in style.

1. Cut out tiara

2. Cut out jewels and decorate

3. Fasten tiara around head
