**Remembrance Day Saturday 11 November 2023**

Show your support and pay your respects to the men and women who lost their lives in conflict on Remembrance Day and Armistice Day by creating a Poppy Capture your favourite moments in this one-of-a-kind poppy photo frame.

1. Stick this sheet to a piece of cardboard (you can even use an old cereal box)
2. Colour in the frame and poppies
3. Draw the person you're remembering inside the frame (or stick a copy of an old photo inside) and write their name on the plaque
4. Cut the frame out and place it somewhere you'll cherish, or even on the fridge!
