

# Be kind flower

World Kindness Day Monday 13 November 2023

World Kindness Day is all about being nice to others and letting the special people in our lives know that they're appreciated. Colour in the flower below and write a note of kindness on each petal. It could be a thank you message or a compliment – you decide. When you're finished, stick the flower on your fridge at home and pick off a petal each day and give it to a family member or friend to make their day. Happy World Kindness Day.
