

# Toast to the Lassies Bookmark

For lots of people celebrating Burns Night, it's tradition to dedicate a toast to women. The toast should be positive and full of praise, especially when you're talking about women you know. And if you can, you should squeeze in some snippets or quotes from Burns too.

Whoever you're with and whatever you're doing on Burns Night, encourage everyone to write a few lines celebrating the women in their lives. When you're done, you can share your work or give it to someone special. Slàinte!

It's what we do
