

Jolly Jumper Competition

It's what we do

Spread some cheer with your very own custom festive jumper. Colour it, paint it, stick things to it... do whatever you like! Just make sure it's full of Christmas cheer. But wait! Here's the exciting part. After you've created your festive design, share it with us on social for the chance of winning £250 for you and £250 to spend in your community*. To enter, simply share a pic of your creation on social using #JollyJumper and tag @coopuk. Competition ends 20.12.22. Let's get festive!
