Paper Lantern

Diwali Sunday 12 November 2023

Celebrate Diwali with your family, friends, and neighbours by making your very own paper lantern.
Simply cut out the shape below and stick it together by folding the bottom.
To make your lantern safer for children, we recommend using LED lights. Let's celebrate.

...or make your own with a cereal box

You will need:
An empty cereal box, scissors, coloured tissue paper, sticky tape or glue, string, LED stringlights

**Step 1:** Cut out a rectangle in the front and back of your box.

Step 2: Use the off-cuts to make whatever shape or pattern you like (you can also use other elements like leaves).

Step 3: Wrap your box in the tissue paper with sticky tape or glue.

Step 4: Stick your shapes to the inside of the windows.

Step 5: Punch holes in the sides of the box with a pencil and tie the string to make a hanger.

Step 6: Add your lights and hang.
