Paper Chain Welsh Dragon

This Saint David's Day, let's get a little crafty and make an extra special Welsh dragon. First, simply print this sheet and cut out the parts below. Then, follow our nice and easy guide until your dragon is complete. When your dragon is ready, you can hang it up, inside your home and celebrate Saint David's Day in style.

How to make:

1. Cut out your parts
2. Take a green strip, make a loop, and glue it together
3. Take a red strip, feed it through your green loop, and glue it together
4. Take a green strip, feed it through your red loop, and glue it together

What you need:

- Scissors
- String
- Sellotape
- Glue
