

It's what we do

# Plastic Bottle Top Curling

The time has come!

Winter's in full swing, and the Olympic games are about to start. Let's play some Plastic Bottle Top Curling! First, find a partner to play with – you could even create a tournament with your friends. Then, cut out your board and find some used plastic bottle caps to play with. The player to flick or slide their bottle caps closest to the bullseye wins.

**Ready? Let's go!**

**It's what we do**
