

ko'ala

paddington bed base

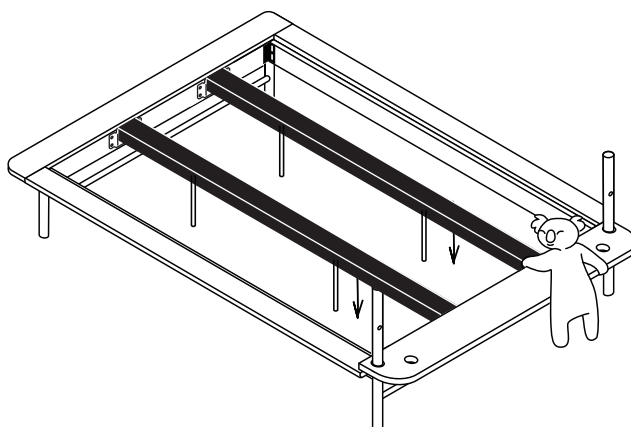

5.

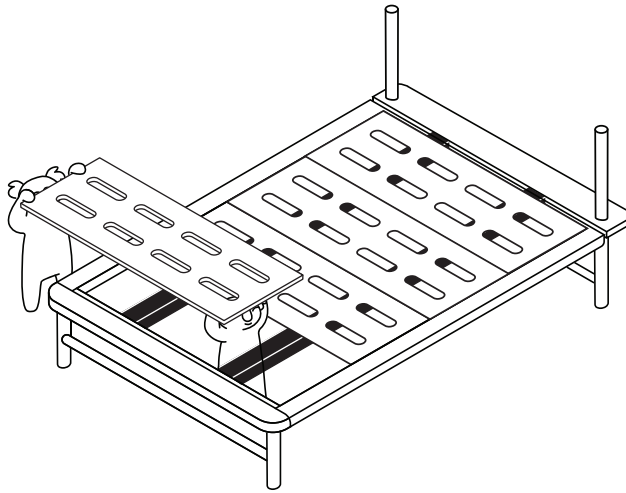

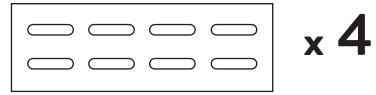

adjust feet so it almost
touches the ground

6.

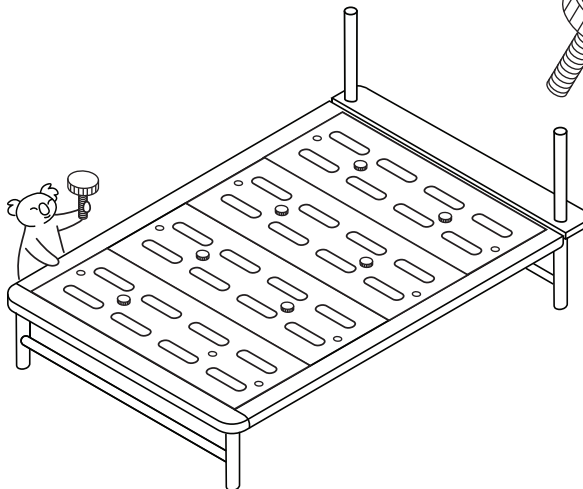

lower down shelf keeping it flat

7.

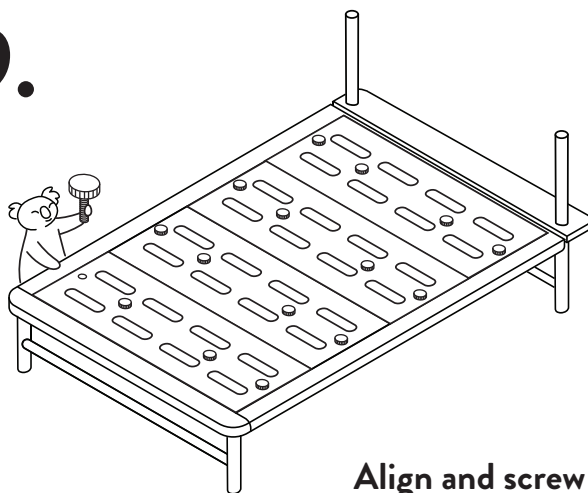

8.

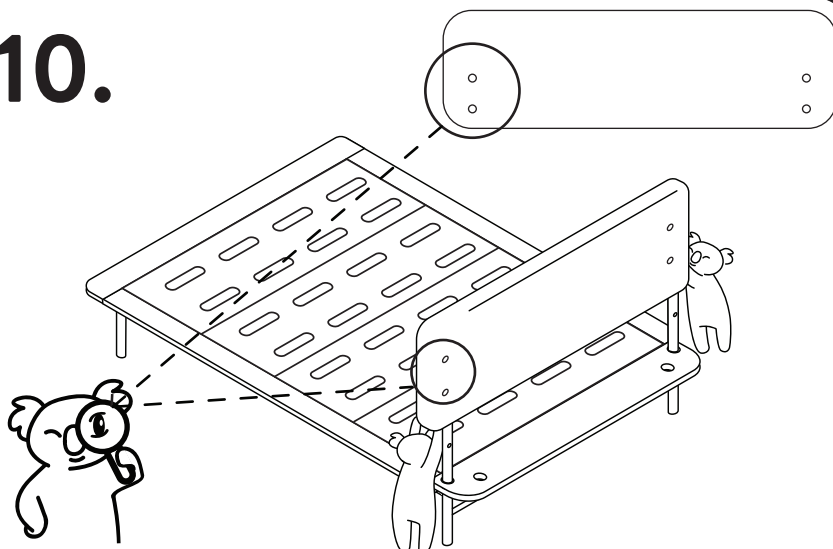

loosely screw the gumnuts into centre holes first

9.

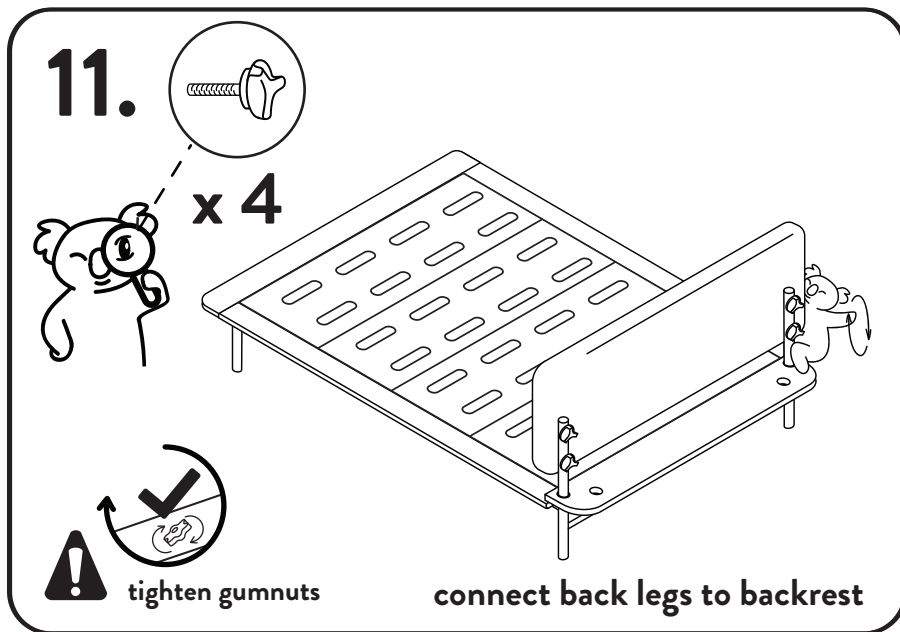

**Align and screw in remaining
Gumnuts and then lightly tighten them all
- don't worry about them being super tight**

10.

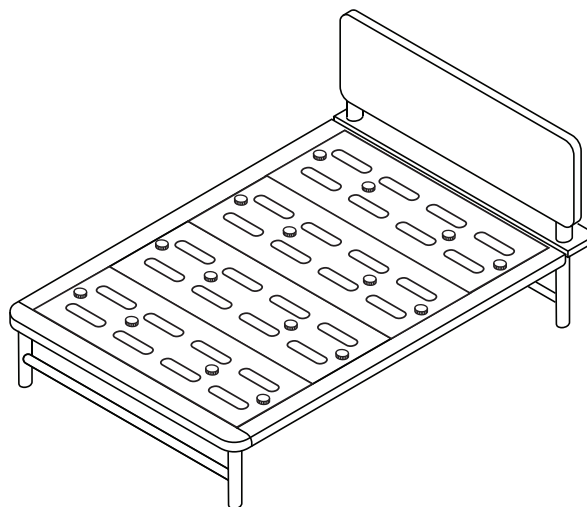

holes on the bottom

lift on backrest

COMPLETE!

don't forget to recycle
