

ko'ala

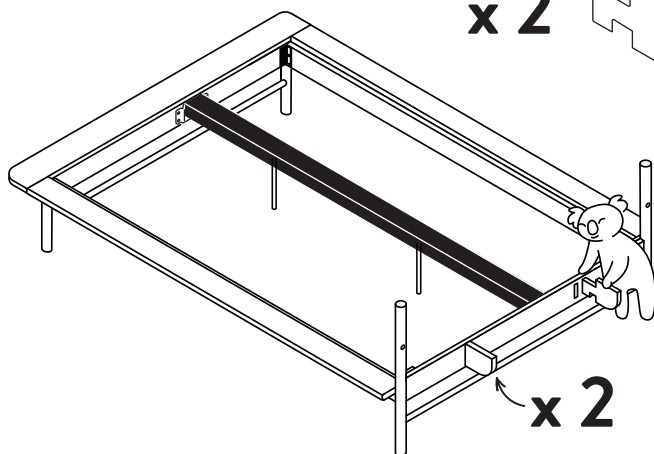

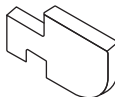

paddington bed base

5.

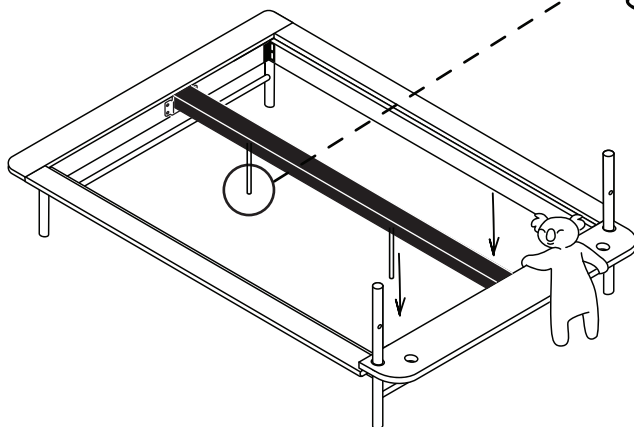

x 2

slide shelf supports into the frame

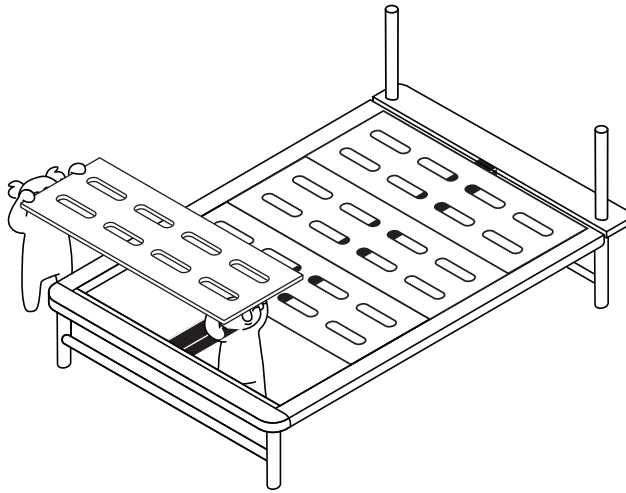

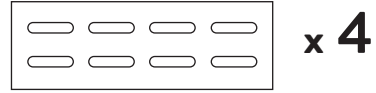

6.

adjust feet if needed

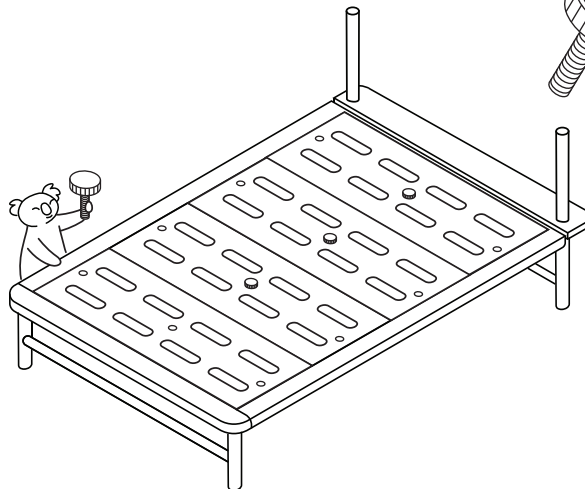

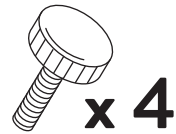

lower down shelf keeping it flat

7.

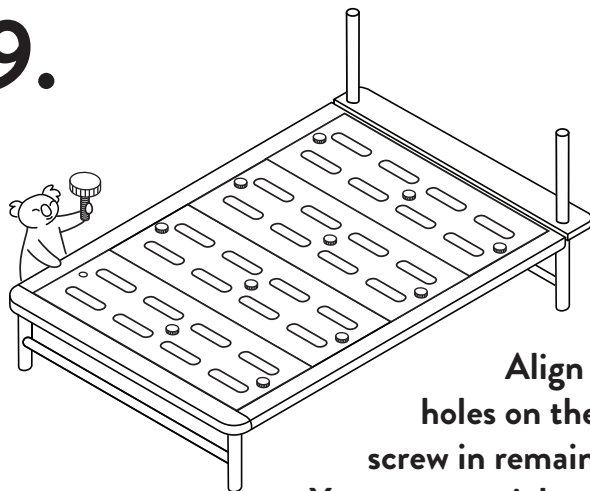

8.

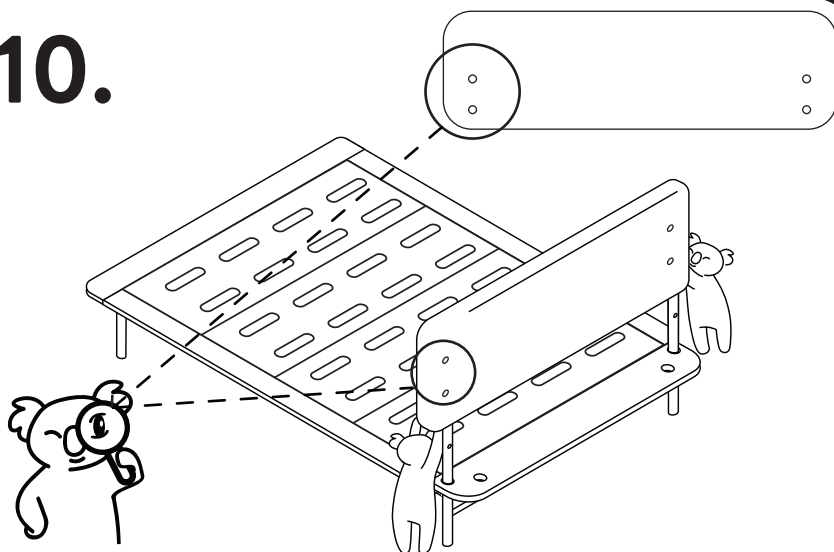

loosely tighten the gumnuts into centre holes first

9.

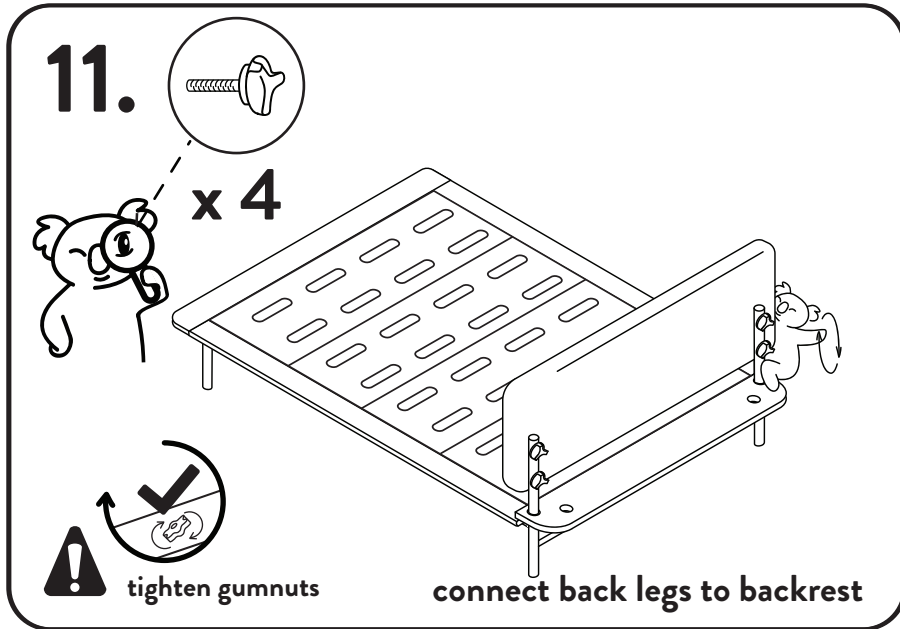

Align the remaining
holes on the platform and
screw in remaining Gumnuts.
You can now tighten them - don't
worry they don't need to be super tight

10.

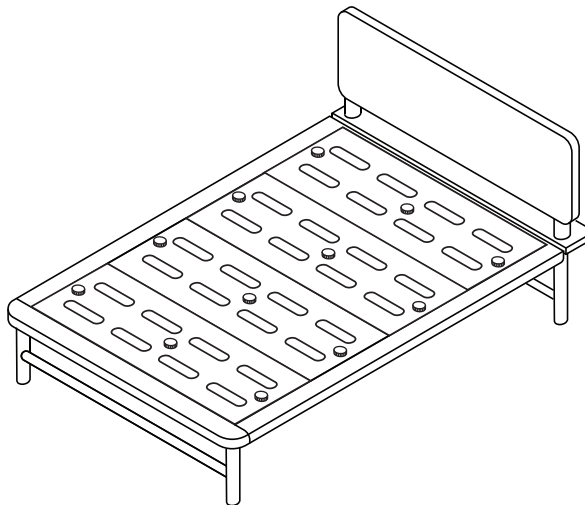

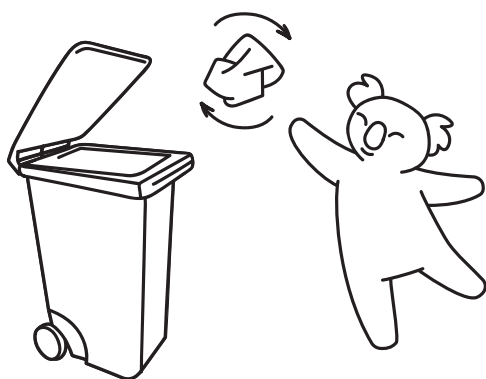

holes on the bottom

lift on backrest

COMPLETE!

don't forget to recycle
