

BLUEBET RACING RULES

You acknowledge and agree that, by applying for or using an Account (as defined in the BlueBet General Terms and Conditions and/or placing bets, you agree to be bound by these Racing Rules.
- 1.3. All definitions referred to in the General Terms and Conditions (including terms referred to in capital letters) have the same meaning in these Racing Rules unless otherwise stated. In the event of any inconsistency between the General Terms and Conditions and these Racing Rules, the Racing Rules will prevail to the extent of such inconsistency.
- 1.4. We reserve the right to change, amend or add to these Racing Rules at our discretion, and will publish such changes on our Website. You agree that any changes, amendments or additions published on our Website will be taken to be effective immediately. It is your responsibility to ensure that you are aware of the current Racing Rules.
- 1.5. These Racing Rules apply to Australian and international thoroughbred, harness and greyhound racing events unless otherwise specified.
- 1.6. Bets will be settled as per the official decision of stewards on race day. Where a horse is subsequently disqualified or placings amended at a later date, for any reason, the official result as declared by stewards on the day of the race will stand.

2. Abandoned / Postponed / Transferred Meetings

- 2.1. Where a race meeting is transferred from one racecourse to another, all betting Terms will apply as if the meeting was not transferred.
- 2.2. If a race meeting is postponed, all wagers on the postponed meeting (except wagers in the All In market) are cancelled.
- 2.3. Where a race meeting is transferred from one racecourse to another, the limit shall be for the course on which the meeting should have been held.

3. Resulting and payment of dividends

- 3.1. Where there are 8 or more runners in a race, a place shall be paid on first, second and third places. If you wagered on a fixed place only bet when the field had 8 or more runners and the field later reduced to 7 or less runners, first, second and third places will be paid, but deductions may apply.
- 3.2. Where there are 7, 6 or 5 runners in a race, a place shall be paid on first and second places only.
- 3.3. Where there are less than 5 runners in a race, all betting shall be Win only.
- 3.4. If the runner is scratched, the stake will be refunded.
- 3.5. Dividends Win, Place and Each Way bets are paid on all Australian racing (gallops, harness and dogs) shortly after interim dividends are available.
- 3.6. Past the post payout does not apply to multi-bets or exotics which are only finalized when the TABs have published final results and dividends.
- 3.7. All Racing exotics (Doubles, Trebles, Quinella, Exacta, Trifecta, First Four and Quadrella) are paid at the dividend declared by the Victorian TAB (STAB).
- 3.8. Protest Payout Terms and Conditions (available on the BlueBet Promotions page) apply. If a protest against a place-getter is upheld, we will recover dividends paid under past the post payout rules if placegetter is relegated from the placings.
- 3.9. Should the relevant TAB malfunction, or no dividend or pool information be available for any reason, we may, at our own discretion, declare the VIC TAB dividend as a blanket dividend for all other TABs or declare our final fixed odds exotic dividend as the dividend for that specific TAB. Should the bet be a multi race exotic (Daily Double/Running Double/Treble/Early Quaddie/Quaddie/Big 6) we may derive a dividend using the final fixed prices of the winning selections. Where a dividend is declared by another TAB, BlueBet may at its discretion pay that alternative dividend.
- 3.10. At the discretion of BlueBet management, TAB pools of under \$500 may be disregarded in the calculation of Best Tote and Middle Tote dividends.

4. Dead Heat Rule

- 4.1. A Dead Heat occurs when two or more selections are placed in the same position after the final results have been given from a specific event.
- 4.2. In the event that a dead heat occurs, reduced returns shall be awarded on all runners involved in the Dead Heat.
- 4.3. If we have not offered the "Draw" or "Dead Heat" selection for a specific event where there has been a Dead Heat, the ticket will be paid out at face value divided by the number of Dead Heating winners of the event.
- 4.4. The reduction on returns shall be dependent on the number of runners involved in the dead heat.
- 4.5. For Fixed Odds bets, the reduced return shall be calculated as the face value of the bet divided by the total number of runners involved in the dead heat.

- 4.6. If BlueBet have offered the “Draw” or “Dead Heat” (may have a different name) selection and there has been a draw/dead heat in the event, then all Win/Place wagers are losers and the “Draw” selection is the winning wager.

5. Scratchings and Deductions

- 5.1. In the event of a scratching, all Fixed Odds bets placed on the Final Field will be subject to deductions. The deduction rate will be applied based on the fixed odds of the scratched selection at the time the selection has been removed from the market. The deduction will be based on face value of the entire ticket. For example:
- 5.2. If you have \$5.00 to win on a \$6 winner – and total win Deductions are 16c in the dollar:
- This means you will receive 84c in every dollar of the Face Value of the ticket.
 - Face Value: $\$5 \times 6.0 = \30 .
 - Reduced Face Value: $\$30 \times .84c = \25.20
 - Less your \$5 outlay leaves a win profit of \$20.20.
 - In the event multiple runners are scratched from an individual race a combined deduction of multiple runners maybe applied depending on the time of the bet and the time of the individual Deductions.
- 5.3. In the event of a field reducing in size from 8 runners to 7 or less runners, for wagers placed via the Internet, BlueBet will pay three dividends on all fixed odds place bets struck prior to the field being reduced. These wagers will be subject to relevant deductions.
- 5.4. In the event of a field reducing in size from 5, 6 or 7 runners to less than 5 runners, for wagers placed via the Internet, BlueBet will pay two dividends on all fixed odds place bets struck prior to the field being reduced. These wagers will be subject to relevant deductions.
- 5.5. If a client places a Fixed Odds Place wager over the Internet and there is only 5, 6 or 7 runners then BlueBet only pays 1st and 2nd regardless of whether the TAB pays 1st, 2nd and 3rd dividends courtesy of late scratchings.

6. Official Results

- 6.1. All bets will be settled on the official result declared by the racecourse (Official Result).
- 6.2. Where a result is amended after the Official Result (for example following a successful appeal) the amendment will be ignored for the purposes of settlement (settlement is the final payout once an event is finalised). If a winner is disqualified after the Official Result, the disqualification will not affect settlement.
- 6.3. However, if a horse is disqualified for any reason before the official result is announced, all bets on that horse will be deemed losing bets.
- 6.4. We reserve the right to limit any individuals/groups, so that the payout on any bet type does not exceed the largest relevant pool size on any bet type in any location.
- 6.5. All bets are subject to our Maximum Payouts as outline in BlueBet's General Terms and Conditions.

Flexi Betting	<p>Flexi Betting allows you to take a Quinella, Exacta, Trifecta, First Four or Quadrella at an outlay to suit your own budget. This way you can have multiple selections for a smaller outlay. Simply make your selections and nominate the total amount you wish to spend on your bet. Your bet will cost whatever you choose – and if you win you will receive a percentage of the full \$1 VIC TAB dividend.</p> <p>For example, let's say you wish to box five runners in a Trifecta. This bet would normally cost \$60 for a \$1 unit. If you decide you want to spend \$15, that's all it will cost. \$15 represents 25% of a full \$1 unit (total cost of \$60), meaning if successful, you will receive 25% of the full \$1 VICTAB Trifecta dividend. Thus, if the winning Trifecta dividend is \$200 for \$1, you will collect \$50. The minimum wager for Flexi Betting is \$1.</p>
Doubles, Trebles, Quadrellas, Big 6	<p>All Quadrella, Treble, Daily Double, Running Double and Big6 bets shall require the selections to finish 1st in respective races to be successful. If a selected runner is declared a non-runner or is scratched after the bet is confirmed, the removed runner will be replaced by the TAB substitute. Should a leg of a Quadrella, Treble, Daily Double, Running Double or Big6 be abandoned for any reason, all selections will be treated as winners for that leg.</p>
Inside v Outside	<p>Select whether the winner of the race will jump/start from the inside four boxes (boxes 1 to 4) or from the outside four boxes (boxes 5 to 8). This market is only available when fixed odds betting is available on an event. Please note, if a horse or greyhound is scratched that is \$6.00 or shorter at the time of the scratching, all bets on the Odds Vs Evens market may be voided and refunded. Dead heat rules apply. Dead heat rules apply.</p>

Odds v Evens	<p>Select whether the winner of the race will have an ODD or EVEN saddlecloth or greyhound jacket number. This market is only available when fixed odds betting is available on an event. Please note, if a horse or greyhound is scratched that is \$6.00 or shorter at the time of the scratching, all bets on the Odds Vs Evens market may be voided and refunded. Dead heat rules apply.</p>
Jockey Challenge	<p>Jockey Challenge bets are available on selected meetings on a 'Win Only' basis. The winning jockey is the rider who accrues the most points based on the 3-2-1 system where the Jockeys receives 3 points for a winning ride, 2 points for finishing second and 1 point for finishing third. In the event of a tie, Dead Heat rules apply and the ticket will be paid out at face value divided by the number of dead-heating winners of the event. This is regardless of the number of outright winners ridden by the listed jockeys. The "Any Other Individual Jockey" option shall be defined as the points earned by any one individual jockey riding at that meeting outside of the jockeys already nominated in the list of betting options for that meeting. If any Individual Jockey listed in the market does not take part in at least one (1) ride for the meeting, all wagers on the Jockeys challenge for that meeting will be cancelled and monies refunded. If the meeting is postponed or abandoned at any stage, all wagers on the Jockey Challenge for that meeting will be cancelled and monies refunded except where in the event of Jockey Challenge betting a jockey has an unassailable lead in which case all bets stand.</p>
Box Challenge	<p>BlueBet offers a Box challenge, which Customers should note is a distinct product from a Rug Challenge.</p> <p>Box Challenge bets are available on selected meetings. The box is defined as the dog Box Number from which it jumps in the race (not the rug it carries). Betting is Win only and all bets are accepted on an all-in basis (i.e. no refunds for non-starters.)</p> <p>The winning box for the meeting is decided under a 3, 2, 1 points scoring system. All bets placed must be placed prior to the commencement of race 1 of the race meeting for wagers to stand.</p> <p>In each race of the meeting, the winning Box Number receives 3 points, the second placed Box Number receives 2 points and the third placed Box Number receives 1 point. The Box Number that accumulates the most points throughout the meeting is deemed the winner. In the event of a dead heat, where two or more Box Numbers are equal on points at the completion of all races at the meeting, the Dead Heat Rule applies.</p> <p>If a meeting is abandoned or postponed to another date, single bets are void</p>

and wagers will be refunded. Affected Multi Bets will be recalculated excluding the Box Challenge event.

Wagers will not be voided and refunded where a Box Number has an unassailable lead in which case all bets stand.
