- 9.12.** The minimum bet on the Internet is \$1.
- 9.13.** The minimum bet via the telephone is \$25.
- 9.14.** In any sporting event where there is a flat line (i.e. 7.0), and the result falls on that flat number, all wagers are void and refunded. Affected multiple wagers (parlays) will be recalculated excluding that leg.
- 9.15.** The maximum telephone or internet wager (or series of telephone or internet wagers) that BlueBet is compelled to accept at the Odds it offers, is that wager amount so prescribed by law that when applied to the applicable Odds offered and the circumstances of the wager, would result in the maximum amount BlueBet is compelled by law to pay out on any wager or series of wagers (betting limits as outline in Schedule 2).

RESULTS

- 9.16.** Where an event or match is postponed and rearranged to take place within 48 hours of the original scheduled starting time, all wagers will stand. If the event or match is rescheduled to take place more than 48 hours later than the original scheduled start time, all wagers will be void and stakes refunded. Affected multiples will be recalculated, excluding that leg. Rules contained in BlueBet's Sports Rules which relate to individual sports and state a different time period will override this section 9.16.
- 9.17.** In the case of sports betting and all other contests that involve a set length of play or time limit, players must play and the event must run to the conclusion of the designated time, to be considered official for betting purposes. Rules contained in BlueBet's Sports Rules which are contrary to the above will override this section 9.17.
- 9.18.** Unless otherwise stated in the event description or individual sport Terms, overtime periods or extra time periods will count towards the final result, except in relation to soccer. Other individual markets noted as excluding extra time or overtime, and individual sports Terms stating that extra time or over-time does not count will override this section 9.18.
- 9.19.** Where a Customer has placed a multi bet and one of the selections of the multi bet is scratched, the wager on the remaining selection(s) and the initial stake will stand.
- 9.20. Dead Heat Rule:**
- 9.20.1.** A Dead Heat occurs when two or more selections are placed in the same position after the final results have been given from a specific event.
- 9.20.2.** In the event that a dead heat occurs, reduced returns shall be awarded on all runners involved in the Dead Heat.
- 9.20.3.** If we have not offered the "Draw" or "Dead Heat" selection for a specific event where there has been a Dead Heat, the ticket will be paid out at face value divided by the number of Dead Heating winners of the event.
- 9.20.4.** The reduction on returns shall be dependent on the number of runners involved in the dead heat.
- 9.20.5.** For Fixed Odds bets, the reduced return shall be calculated as the face value of the bet divided by the total number of runners involved in the dead heat.
- 9.20.6.** If BlueBet have offered the "Draw" or "Dead Heat" (may have a different name) selection and there has been a draw/dead heat in the event, then all Win/Place wagers are losers and the "Draw" selection is the winning wager.

10. Errors

- 10.1.** BlueBet endeavours to ensure that no errors are made in setting markets including but not limited to errors in prices offered, available selections offered, bets accepted on an Account or any errors in exclusions for certain selections. However, we reserve the right to correct errors and to void any bets prior to or after an event in circumstances where a bet has been accepted and where there has been a material technical, human or other error in setting a market and/or in accepting a bet.
- 10.2.** Where a bet is voided by BlueBet prior to an event commencing, we will endeavour to contact you by email promptly to inform you that your bet has been voided.

10.3. For the purposes of 10.1, an error in setting a market or accepting a bet will be material in any of the following circumstances:

10.3.1. the price struck for a bet is materially greater than a price historically offered on the same or a similar market by BlueBet or a competitor bookmaker;

10.3.2. there is an error in the price of at least one selection which forms part of a multiple bet; the combined effect of which results in a materially erroneous price;

10.3.3. the available selection(s) on a market are so different from the selection(s) historically offered on the same or a similar market by BlueBet or a competitor bookmaker; or

10.3.4. a person with a good understanding of wagering would reasonably understand that there was an error in a relevant market or in the acceptance of the bet.

10.4. For the purposes of paragraph 10, and in any of the above circumstances:

10.4.1. A bet includes a single bet or a multiple bet; and

10.4.2. If the erroneous price or selection is part of a multiple bet placed by you, the multiple bet will be either re-calculated at adjusted (correct) prices or by excluding the event to which the error relates, at BlueBet's discretion.

11. Maximum payouts

11.1. You acknowledge and agree that for certain bet types your accepted stake or bet may mean that you have the opportunity to win more than a win limit or maximum payout set out in this clause or in our other Terms and Conditions. Even where your approved stake or bet may give you the opportunity to win a higher amount, you agree that we shall only be obliged to pay to you the win limit or maximum payout specified in this clause or in our other Terms and Conditions such as our Racing Rules or Sport Rules. If we impose a win limit or maximum payout on your winning bet and payout, we may refund to you the portion of your stake or bet that, at the designated odds, may have resulted in a payout to you above a win limit or maximum payout.

11.2. Subject to our other Terms and Conditions and in particular other win limits, the maximum payout we shall be obliged to pay to you is as follows:

11.2.1. For all bets on Australian thoroughbred, greyhound or harness races - \$100,000.

11.2.2. For all bets on thoroughbred, greyhound or harness races outside Australia - \$50,000.

11.2.3. For all bets on sports markets - \$100,000.

11.2.4. For all multi bets - \$100,000.

12. Dispute resolution

- 12.1.** In these Terms, a “Dispute” includes any dispute or matter between BlueBet and a Customer arising from these Terms or relating to the products and/or services provided by BlueBet to Customers. All wagers are placed and received at the Northern Territory, Australia. These Terms shall be governed by and construed in accordance with the Laws of the Northern Territory and each Customer irrevocably submits to the exclusive jurisdiction of the NT Courts in respect of any dispute or matter arising from these Terms.
- 12.2.** Where a Dispute arises, the parties will at first instance attempt to resolve the dispute without reference to external parties.
- 12.3.** Where a Dispute cannot be resolved between you and us, that Dispute must be referred by you to a representative of the NT Racing Commission. A Dispute must be lodged by you within 14 days of the Dispute arising. The decision of the adjudicator is final and binding on you and us. Nothing in these Terms precludes a party from seeking urgent interlocutory relief from a court if such relief is reasonably required.
- 12.4.** Calls to and from us may be recorded for security and compliance purposes, and your live chat history and other communication with us may be stored. Where a ‘Dispute’ occurs which cannot be resolved between the Customer and BlueBet, the Customer agrees that the recording(s) and/or any records of a Customer’s transactions via the Internet may be made available to the adjudicator of the Dispute to enable the Dispute to be determined in accordance with these Terms. Records of voice recordings will be securely retained by us in accordance with our privacy obligations for regulatory purposes.
- 12.5.** BlueBet does not warrant or imply that participation in wagers complies with the legal requirements of any state or country other than the Northern Territory. Customers must satisfy themselves (and assume full responsibility) for the legality of:
- 12.5.1.** applying to BlueBet for an Account;
 - 12.5.2.** remitting funds by credit card or other permitted means to an Account;

13. Limitation of liability

- 13.1.** Subject to 13.4, you agree to fully indemnify, defend and hold BlueBet and its related entities harmless immediately on demand, from and against all claims, arising out of:
- 13.1.1.** any breach of the Terms by you; and
 - 13.1.2.** any other claims arising out of your access, use or failed use of our website other than as expressly permitted by the Terms and Conditions.

- 13.2.** Subject to clauses 13.3 and 13.4, our liability to you for any claim or loss incurred or suffered by you in connection with these Terms or your use of our website is limited to the amount of the relevant bet placed by you.
- 13.3.** Subject to clause 13.4 and unless in the event of our mistake, error, negligence, fraud or willful misconduct, we are not liable to you for any indirect or consequential loss (even if such losses are foreseeable or if we have been notified by you of the possibility of such loss or damage occurring), including loss of profits, damage to or loss or destruction of, your device or software or any other data or information of any nature whatsoever on your device, as a result of you accessing, using, downloading or otherwise interacting with our website or us in any manner whatsoever.
- 13.4.** If there is a statutory guarantee in relation to a product or service supplied to you by us, and our liability under that guarantee cannot be excluded but may be limited, then our liability for a breach of that guarantee is limited at our option to:
- 13.4.1.** in the case of supply of a service, resupply of that service or paying the cost of having that service supplied again; or
 - 13.4.2.** in the case of goods, repair or replacement of those goods, or paying the cost of having those goods supplied again.

14. Closure of Accounts and Inactive accounts

- 14.1.** You may close your Account at any time via the 'My Account' section of our website or app. You may also close your Account at any time by submitting a closure request in writing, via email, LiveHelp or post using the contact details in the 'Contact Us' section of our website. We will refund the balance of your Account by a method of payment determined by us. If you have any pending or unresulted bets at the time of you closing your Account such bets will still stand, and if such bets subsequently win, the corresponding payout will be paid to you within a reasonable time of the outcome of the bet becoming known.
- 14.2.** If you have not made a deposit or placed a bet on your Account for a period of more than 18 months, BlueBet may deem your account an Inactive Account. To keep an Inactive Account open you must pay a fee of \$10 per month which will be deducted from your Inactive Account (unless your Account balance is \$0). To avoid incurring this payment you can simply either place a bet or withdraw your funds into your bank account. If this occurs your Account will no longer be deemed an Inactive Account.

15. AML/CTF

- 15.1.** Australia has strict laws on money laundering and terrorism financing that may impose an obligation upon us to report you to the federal or local authorities within such jurisdictions if we know, suspect or have reason to suspect that any of your transactions, amongst other things, involve funds derived from illegal activities or are intended to conceal funds derived from illegal activities or involve the use of your Accounts to facilitate criminal activity.
