What you hold in your hands is more than a menu, it's a page from my journal, smudged with spice and ink, gathered from the far edges of the world.

In the spirit of adventure, nothing here comes as a main, only as moments. Small plates. Sudden memories. Pieces of places brought to your table as soon as they are ready. Try many, pass them around, mix them without logic. That's how I eat, and how I remember.

So eat slowly. Get curious. Let the flavours carry you, and if you must, steal a page for yourself.

DUTCH COCKTAIL CLUB

At Dutch Cocktail Club we don't just serve drinks, we spark stories. We craft premium bar-quality cocktails and mocktails for every occasion, from big events to moments at home. Wherever you are: taste the joy of life!

CAMPARI

This isn't just a list of cocktails, it's a collection of toasts from places I may or may not have been. Some are smoky like campfire goodbyes. Others fizz like market mornings. A few carry a sting, most finish soft. I've sipped under moons, roofs, trees, and one unforgettable chandelier. These drinks are fragments of those moments.

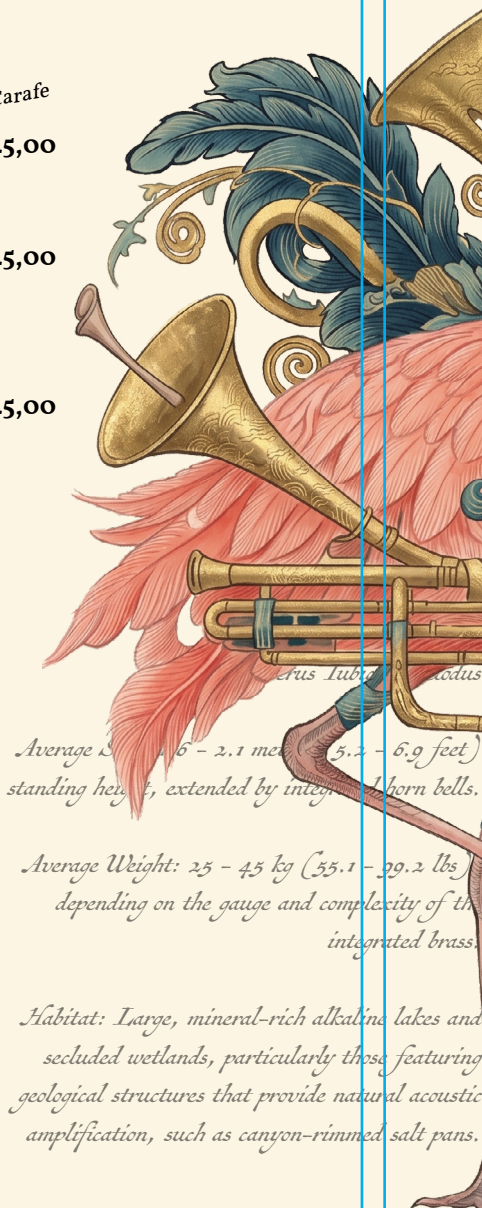

Choose by instinct. Or don't choose, let someone order for you. That's how the best stories start anyway.
