

TERMS AND CONDITIONS OF THE NOTES

The following are the Terms and Conditions of the Notes which will be incorporated by reference into each Global Note (as defined below) and each definitive Note, in the latter case only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the relevant Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, such definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and definitive Note.

This Note is one of a Series (as defined below) of Notes issued by Royal Schiphol Group N.V. (“RSG”) or Schiphol Nederland B.V. (“*Schiphol Nederland*” and, together with RSG in its capacity as an issuer, the “*Issuers*” and each an “*Issuer*”) pursuant to the Agency Agreement (as defined below). References herein to the “Notes” shall be references to the Notes of this Series and shall mean:

- (i) in relation to any Notes represented by a global note (a “*Global Note*”), units of each Specified Denomination in the Specified Currency;
- (ii) any Global Note; and
- (iii) any definitive Notes issued in exchange for a Global Note.

Reference herein to the “*relevant Issuer*” and “*relevant Guarantor*” shall be to the Issuer and the Guarantor of the Notes named in the applicable Final Terms (as defined below), respectively.

The Notes and the Coupons (as defined below) have the benefit of an amended and restated Agency Agreement (such Agency Agreement as amended and/or supplemented and/or restated from time to time, the “*Agency Agreement*”) dated 13 April 2021 and made between RSG in its capacity both as an Issuer and a Guarantor, Schiphol Nederland in its capacity both as an Issuer and a Guarantor (together with RSG in its capacity as a Guarantor, the “*Guarantors*” and each, a “*Guarantor*”) of Notes issued by RSG), Deutsche Bank AG, London Branch as issuing and principal paying agent and agent bank (the “*Agent*”, which expression shall include any successor agent), the other paying agents named therein (together, unless the context otherwise requires, with the Agent and the “*Paying Agents*”, which expression shall include any additional or successor paying agents).

Interest bearing definitive Notes (unless otherwise indicated in the applicable Final Terms) have interest coupons (“*Coupons*”) and, if indicated in the applicable Final Terms, talons for further Coupons (“*Talons*”) attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Global Notes do not have Coupons or Talons attached on issue. Any reference herein to “*Noteholders*” shall mean the holders of the Notes, and shall in relation to any Notes represented by a Global Note, be construed as provided below. Any reference herein to “*Couponholders*” shall mean the holders of Coupons, and shall, unless the context otherwise requires, include the holders of Talons.

The Final Terms for this Note (or the relevant provisions thereof) are attached to or endorsed on this Note and complete these Terms and Conditions (these “*Conditions*”). References to the “*applicable Final Terms*” are to the Final Terms (or the relevant provisions thereof) attached to or endorsed on this Note.

As used herein, “*Tranche*” means Notes which are identical in all respects (including as to listing) and “*Series*” means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (i) expressed to be consolidated and form a single series and (ii) identical in all respects (including as to listing) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

Copies of the Agency Agreement and the applicable Final Terms are available for inspection during normal business hours at the specified office of each of the Agent and the other Paying Agents

save that, if this Note is an unlisted Note of any Series, the applicable Final Terms will only be available for inspection by a Noteholder holding one or more unlisted Notes of that Series and such Noteholder must produce evidence satisfactory, as the case may be, the relevant Paying Agent as to its holding of such Notes and identity. The Noteholders and the Couponholders are deemed to have notice of, are bound by, and are entitled to the benefit of, all the provisions of the Agency Agreement and the applicable Final Terms which are applicable to them. The statements in these Conditions include summaries of, and are subject to, the detailed provisions of the Agency Agreement.

Words and expressions defined in the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and the applicable Final Terms, the applicable Final Terms shall prevail.

1. Form, Denomination and Title

The Notes are in bearer form and, in the case of definitive Notes, serially numbered, in the Specified Currency and the Specified Denomination(s). Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination.

This Note may be a Fixed Rate Note, a Floating Rate Note or a Zero Coupon Note or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms.

Definitive Notes are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in these Conditions are not applicable.

Subject as set out below, title to the Notes and Coupons will pass by delivery. The relevant Issuer, the relevant Guarantor and any Paying Agent will (except as otherwise required by law) deem and treat the bearer of any Note or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear Bank SA/NV ("*Euroclear*") and/or Clearstream Banking S.A. ("*Clearstream, Luxembourg*"), each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the relevant Issuer, the relevant Guarantor and the Paying Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal and/or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note shall be treated by the relevant Issuer, the relevant Guarantor and any Paying Agent as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions "*Noteholder*" and "*holder of Notes*" and related expressions shall be construed accordingly.

Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear and Clearstream, Luxembourg, as the case may be. References to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms or as may otherwise be approved by the relevant Issuer and the Agent.

2. Status of the Notes and the Guarantees

(a) *Status of the Notes*

The Notes and any relative Coupons constitute direct, unconditional, unsubordinated and (subject to the provisions of Condition 3) unsecured obligations of the relevant Issuer and rank *pari passu*, without any preference among themselves, and (subject as aforesaid and to such exceptions as exist by mandatory law) equally with all other present and future unsecured obligations (other than subordinated obligations, if any) of the relevant Issuer from time to time outstanding.

(b) *Status of the Guarantees*

The due performance of all payment and other obligations of the relevant Issuer under the Notes and Coupons, these Conditions and the Agency Agreement has been, where the relevant Issuer is RSG, unconditionally and irrevocably guaranteed (as more particularly defined in the Agency Agreement, the “*Schiphol Nederland Guarantee*”) by Schiphol Nederland in its capacity as a guarantor under the Agency Agreement and, where the relevant Issuer is Schiphol Nederland, unconditionally and irrevocably guaranteed (as more particularly defined in the Agency Agreement, the “*RSG Guarantee*”) by RSG in its capacity as a guarantor under the Agency Agreement (as more particularly defined in the Agency Agreement, the RSG Guarantee together with the Schiphol Nederland Guarantee, the “*Guarantees*” and each, a “*Guarantee*”). The obligations of each Guarantor under the relevant Guarantee constitute direct, unconditional and (subject to the provisions of Condition 3) unsecured obligations of such Guarantor and (subject as aforesaid, and save for certain obligations required to be preferred by law) rank and will rank *pari passu* with all other outstanding unsecured and unsubordinated obligations of such Guarantor, present and future, but only to the extent permitted by applicable laws relating to creditors’ rights.

3. Negative Pledge

So long as any of the Notes remains outstanding (as defined in Condition 14), neither the relevant Issuer nor the relevant Guarantor will, and RSG will procure that none of the Principal Subsidiaries (as defined in Condition 9), if any, will, hereafter create or permit to be outstanding any mortgage, charge, pledge, lien or other security interest on any of its present or future undertakings or assets or enter into any arrangement, the practical effect of which is to grant or permit to be outstanding similar security, in any case in respect of any Obligation of the relevant Issuer, the relevant Guarantor or any Principal Subsidiary, or any Obligation of any other person, in each case without at the same time securing the Notes equally and rateably therewith or providing such other security therefor or as shall be approved by an Extraordinary Resolution (as defined in Condition 14) of the Noteholders.

“*Obligation*” means any present or future indebtedness evidenced by bonds, debentures or other securities which, at the request or with the concurrence of the relevant issuer, are quoted or traded for the time being, or are capable of being quoted or traded, on any stock exchange or other recognised market for securities.

4. Interest

(a) *Interest on Fixed Rate Notes*

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrears on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

Except in the case of Notes in definitive form where a Fixed Coupon Amount or Broken Amount

is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (A) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note; or
- (B) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

In these Conditions:

“*Day Count Fraction*” means, in respect of the calculation of an interest amount in accordance with this Condition 4(a):

- (i) if “*Actual/Actual (ICMA)*” is specified in the applicable Final Terms:
 - (A) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the “*Accrual Period*”) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
 - (B) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (ii) if “*30/360*” is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

“*Determination Period*” means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after,

such date);

“*Fixed Interest Period*” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date; and

“*sub-unit*” means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) *Interest on Floating Rate Notes*

(i) *Interest Payment Dates*

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) (each an “*Interest Payment Date*”) in each year specified in the applicable Final Terms; or
- (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each an “*Interest Payment Date*”) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 4(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls within the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Conditions, “*Business Day*” means a day which is both:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and each Additional Business Centre specified in the applicable Final Terms; and
- (B) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System (“*TARGET2 System*”) is open.

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Final Terms and, subject to any amendments resulting from any Benchmark Amendments pursuant to Condition 4(c), on the following basis:

(A) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), “*ISDA Rate*” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under a notional interest rate swap transaction if the Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions (as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes) (the “*ISDA Definitions*”) and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is a period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is the day specified in the applicable Final Terms.

For the purposes of this sub-paragraph (A), (i) “*Floating Rate*”, “*Calculation Agent*”, “*Floating Rate Option*”, “*Designated Maturity*” and “*Reset Date*” have the meanings given to those terms in the ISDA Definitions.

(B) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or

- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being either the London inter-bank offered rate (“*LIBOR*”) or the Euro-zone inter-bank offered rate (“*EURIBOR*”), as specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of *LIBOR*, or Brussels time, in the case of *EURIBOR*) on the Interest Determination Date in question (as indicated in the applicable Final Terms) plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the Specified Time, the Agent, or failing which the relevant Issuer, shall request each of the Reference Banks to provide the Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate, at approximately the Specified Time, on the Interest Determination Date in question. If two or more of the Reference Banks provide the Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Agent with such offered quotations as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time, on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is *LIBOR*, the London inter-bank market or, if the Reference Rate is *EURIBOR*, the Euro-zone inter-bank market, as the case may be, plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at approximately the Specified Time, on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the relevant Issuer suitable for such purpose) informs the Agent it is quoting to leading banks in, if the Reference Rate is *LIBOR*, the London inter-bank market or, if the Reference Rate is *EURIBOR*, the Euro-zone inter-bank market, as the case may be, plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest

shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin (if any) is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin (if any) relating to the relevant Interest Period, in place of the Margin (if any) relating to that last preceding Interest Period).

Notwithstanding the above, if the Reference Rate cannot be determined because of the occurrence of a Benchmark Event, the Reference Rate shall be calculated in accordance with Condition 4(c).

“*Reference Banks*” means, in the case of a determination of LIBOR, the principal London office of four major banks in the London inter-bank market and, in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, in each case selected by the Agent or failing which the relevant Issuer; and

“*Specified Time*” means 11.00 a.m. (London time, in the case of a determination of LIBOR, or Brussels time, in the case of a determination of EURIBOR).

(iii) *Minimum and/or Maximum Rate of Interest*

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iv) *Determination of Rate of Interest and calculation of Interest Amounts*

The Agent will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Agent will calculate the amount of interest (the “*Interest Amount*”) payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note; or
- (B) in the case of Floating Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

“*Day Count Fraction*” means, in respect of the calculation of an amount of interest for any Interest Period:

- (i) if “*Actual/Actual*” or “*Actual/Actual (ISDA)*” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if “*Actual/365 (Fixed)*” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if “*Actual/360*” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (iv) if “*30/360*”, “*360/360*” or “*Bond Basis*” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“ Y_1 ” is the year, expressed as a number, in which the first day of the Interest Period falls;

“ Y_2 ” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“ M_1 ” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“ M_2 ” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“ D_1 ” is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D_1 will be 30; and

“ D_2 ” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D_1 is greater than 29, in which case D_2 will be 30;

- (v) if “*30E/360*” or “*Eurobond Basis*” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“ Y_1 ” is the year, expressed as a number, in which the first day of the Interest Period falls;

“ Y_2 ” is the year, expressed as a number, in which the day immediately following

the last day of the Interest Period falls;

“ M_1 ” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“ M_2 ” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“ D_1 ” is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D_1 will be 30; and

“ D_2 ” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D_2 will be 30; and

- (vi) if “30E/360 (ISDA)” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“ Y_1 ” is the year, expressed as a number, in which the first day of the Interest Period falls;

“ Y_2 ” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“ M_1 ” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“ M_2 ” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“ D_1 ” is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D_1 will be 30; and

“ D_2 ” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D_2 will be 30.

- (v) *Linear Interpolation*

Where Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified as applicable in the applicable Final Terms) or the relevant Floating Rate Option (where ISDA Determination is specified as applicable in the applicable Final Terms), one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period,

provided however that if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

“*Designated Maturity*” means, in relation to Screen Rate Determination, the period of time designated in the Reference Rate.

(vi) *Notification of Rate of Interest and Interest Amounts*

The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the relevant Issuer and any stock exchange or other relevant authority on which the relevant Floating Rate Notes are for the time being listed or by which they have been admitted to listing and notice thereof to be published in accordance with Condition 13 as soon as possible after their determination but in no event later than the fourth London Business Day (as defined below) thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange or other relevant authority on which the relevant Floating Rate Notes are for the time being listed or by which they have been admitted to listing and to the Noteholders in accordance with Condition 13. If the Notes become due and payable under Condition 9, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the accrued interest or the Rate of Interest so calculated need be made. For the purposes of this paragraph, the expression “*London Business Day*” means a day (other than a Saturday or Sunday) on which banks and foreign exchange markets are open for business in London.

(vii) *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(b), the Agent shall (in the absence of wilful default, bad faith or manifest error) be binding on the relevant Issuer, the relevant Guarantor, the Agent, the other Paying Agents and all Noteholders and Couponholders and (in the absence of wilful default and bad faith) no liability to the relevant Issuer, the relevant Guarantor, the Noteholders or the Couponholders shall attach to the Agent or, if applicable, the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Benchmark Discontinuation*

Notwithstanding the provisions above:

(i) *Independent Adviser*

If the relevant Issuer determines that a Benchmark Event has occurred in relation to an Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, then the relevant Issuer shall use its reasonable endeavours to appoint and consult with an Independent Adviser, as soon as reasonably practicable, with a view to the relevant Issuer determining a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4(c)(ii)) and, in either case, an Adjustment Spread if any (in accordance with Condition 4(c)(iii)) and any Benchmark Amendments (in accordance with Condition 4(c)(iv)).

An Independent Adviser appointed pursuant to this Condition 4(c) shall act in good faith

and in a commercially reasonable manner as an expert and in consultation with the relevant Issuer. In the absence of bad faith or fraud, the Independent Advisor shall have no liability whatsoever to the relevant Issuer, the Calculation Agent, the Paying Agents, the Noteholders or the Couponholders for any determination made by it or for any advice given to the relevant Issuer in connection with any determination made by the relevant Issuer, pursuant to this Condition 4(c).

If (i) the relevant Issuer is unable to appoint an Independent Advisor, or (ii) the relevant Issuer fails to determine a Successor Rate or, failing which, an Alternative Rate in accordance with this Condition 4(c)(i) prior to the relevant Interest Determination Date, the Rate of Interest applicable to the next succeeding Interest Period shall be equal to the Rate of Interest last determined in relation to the Notes in respect of the immediately preceding Interest Period. If there has not been a first Interest Payment Date, the Rate of Interest shall be the initial Rate of Interest. For the avoidance of doubt, this sub-paragraph shall apply to the relevant next succeeding Interest Period only and any subsequent Interest Periods are subject to the subsequent operation of, and adjustment as provided in, this Condition 4(c).

(ii) *Successor Rate or Alternative Rate*

If the relevant Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines that:

(A) there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 4(c)(iii)) subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 4(c)); or

(B) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 4(c)(iii)) subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 4(c)).

(iii) *Adjustment Spread*

If the relevant Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines (i) that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) and (ii) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Rate or the Alternative Rate (as the case may be).

(iv) *Benchmark Amendments*

If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 4(c) and the relevant Issuer, following consultation with the Independent Adviser, determines (i) that amendments to these Conditions and/or the Agency Agreement are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the "**Benchmark Amendments**") and (ii) the terms of the Benchmark Amendments, then the relevant Issuer shall, subject to giving notice thereof in accordance with Condition 4(c)(v), without any requirement for the consent or approval of Noteholders, vary these Conditions and/or the Agency Agreement to give effect to such Benchmark Amendments with effect from the date specified in such notice.

At the request of the relevant Issuer, but subject to receipt by the Paying Agents of a certificate signed by authorised signatories of the relevant Issuer pursuant to Condition 4(c)(v), the Paying Agents shall (at the expense and direction of the relevant Issuer), without any requirements for the consent or approval of the Noteholders, be obliged to concur with the relevant Issuer in effecting any Benchmark Amendments and the Paying Agents shall not be liable to any party for any consequences thereof, provided that the Paying Agents shall not be obliged to concur if in the opinion of the Paying Agents doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend rights and/or the protective provisions afforded to the Paying Agents in these Conditions and/or any documents to which they are a party in any way.

In connection with any such variation in accordance with this Condition 4(c)(iv), the relevant Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(v) *Notices, etc.*

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 4(c) will be notified promptly by the relevant Issuer to the Paying Agents and, in accordance with Condition 13, the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Paying Agents of the same, the relevant Issuer shall deliver to the Paying Agents a certificate signed by authorised signatories of the relevant Issuer:

- (A) confirming (a) that a Benchmark Event has occurred, (b) the Successor Rate or, as the case may be, the Alternative Rate, (c) where applicable, any Adjustment Spread and (d) the specific term of the Benchmark Amendments, in each case as determined in accordance with the provisions of this Condition 4(c); and
- (B) certifying that the Benchmark Amendments are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread.

The Paying Agents shall be entitled to rely on such certificate (without enquiry or liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) and without prejudice to the Paying Agents' ability to rely on such certificate as aforesaid) be binding on the relevant Issuer, the Agents and the Noteholders.

Notwithstanding any other provision of this Condition 4(c), if in the Paying Agents' opinion there is any uncertainty between two or more alternative courses of action in making any determination or calculation under this Condition 4(c), the Paying Agents shall promptly notify the relevant Issuer and/or the Independent Advisor thereof and the relevant Issuer shall direct the Paying Agents in writing as to which alternative course of action to adopt. If the Paying Agents are not promptly provided with such direction, or is otherwise unable to make such calculation or determination for any reason, it shall notify the relevant Issuer and/or the Independent Advisor (as the case may be) thereof and the Paying Agents shall be under no obligation to make such calculation or determination and shall not incur any liability for not doing so.

For the avoidance of doubt, the Paying Agents shall not be obliged to monitor or inquire whether a Benchmark Event has occurred or have any liability in respect thereof.

(vi) *Survival of Original Reference Rate*

Without prejudice to the obligations of the relevant Issuer under Conditions 4(c)(i), (ii), (iii) and (iv), the Original Reference Rate and the fallback provisions provided for in the Agency Agreement will continue to apply unless and until the Calculation Agent has been notified of the Successor Rate or the Alternative Rate (as the case may be), and any Adjustment Spread (if applicable) and Benchmark Amendments, in accordance with Condition 4(c)(v).

(vii) *Definitions*

As used in this Condition 4(c):

"Adjustment Spread" means either a spread (which may be positive or negative), or the formula or methodology for calculating a spread, in either case, which the relevant Issuer, following consultation with the Independent Adviser, determines (acting in good faith and in a commercially reasonable manner) is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Noteholders and Couponholders as a result of the replacement of the Original Reference Rate with the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- (i) in the case of a Successor Rate, is formally recommended or formally provided as an option for the parties to adopt in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or
- (ii) in the case of a Successor Rate for which no such recommendation has been made or in the case of an Alternative Rate, the relevant Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner determines, is customarily applied to the relevant Successor Rate or the Alternative Rate (as the case may be) in international debt capital markets transactions to produce an industry-accepted replacement rate for the Original Reference Rate; or
- (iii) in the case of a Successor Rate for which no such recommendation has been made or in the case of an Alternative Rate, the relevant Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner determines, is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be); or
- (iv) if the relevant Issuer determines that no such industry standard is recognised or acknowledged, the relevant Issuer, in its discretion, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines to be appropriate.

"Alternative Rate" means an alternative to the Original Reference Rate which the relevant Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines in accordance with Condition 4(c)(ii) has replaced the Original Reference Rate in customary market usage in the international debt capital markets for the purposes of determining floating rates of interest (or the relevant component part thereof) for the same interest period and in the same

Specified Currency as the Notes.

"Benchmark Amendments" has the meaning given to it in Condition 4(c)(iv).
"Benchmark Event" means:

- (i) the Original Reference Rate ceasing to be published for a period of at least five Business Days or ceasing to exist; or

- (iii) a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate has been or will, by a specified date within the following six months, be permanently or indefinitely discontinued; or
- (iv) a public statement by the supervisor of the administrator of the Original Reference Rate that means the Original Reference Rate will be prohibited from being used or that its use will be subject to restrictions or adverse consequences, in each case within the following six months; or
- (v) it has become unlawful for any Paying Agent, the Calculation Agent or the relevant Issuer to calculate any payments due to be made to any Noteholder using the Original Reference Rate.

"Independent Adviser" means an independent financial institution of international repute or an independent financial adviser with appropriate expertise appointed by the relevant Issuer under Condition 4(c)(i) and notified in writing to the Agents.

"Original Reference Rate" means the Reference Rate originally-specified in the Final Terms or, where such Reference Rate has been replaced by an Alternative Rate or a Successor Rate, such Alternative Rate or Successor Rate used to determine the Rate of Interest (or any component part thereof) on the Notes.

"Relevant Nominating Body" means, in respect of a Reference Rate:

- (i) the central bank for the currency to which the Reference Rate relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the Reference Rate; or
- (ii) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (a) the central bank for the currency to which the Reference Rate relates, (b) any central bank or other supervisory authority which is responsible for supervising the administrator of the Reference Rate, (c) a group of the aforementioned central banks or other supervisory authorities or (d) the Financial Stability Board or any part thereof.

"Successor Rate" means the rate that the relevant Issuer, following consultation with the Independent Adviser, determines is a successor to or replacement of the Original Reference Rate and which is formally recommended by any Relevant Nominating Body.

(d) *Interest on Zero Coupon Notes*

Zero Coupon Notes will be offered and sold at a discount to their nominal amount and will not bear interest. When a Zero Coupon Note becomes repayable prior to its Maturity Date it will be

redeemed at the Early Redemption Amount calculated in accordance with Condition 6(f)(ii). In the case of late payment the amount due and repayable shall be calculated in accordance with Condition 6(i).

(e) *Accrual of interest*

Each Note (or, in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

(1) the date on which all amounts due in respect of such Note have been paid; and

(2) five days after the date on which the full amount of the moneys payable in respect of such Notes has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 13 or individually.

5. Payments

(a) *Method of payment*

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively); and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 7.

(b) *Presentation of definitive Notes and Coupons*

Payments of principal by or on behalf of the relevant Issuer or the relevant Guarantor in respect of definitive Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Notes, and payments of interest by or on behalf of the relevant Issuer or the relevant Guarantor in respect of definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Fixed Rate Notes in definitive form should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any

time before the expiry of ten years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of such definitive Note.

(c) *Payments in respect of Global Notes*

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes and otherwise in the manner specified in the relevant Global Note, where applicable against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of any Global Note, distinguishing between any payment of principal and any payment of interest, will be made either on such Global Note by the Paying Agent to which it was presented, or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

(d) *General provisions applicable to payments*

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the relevant Issuer and the relevant Guarantor will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the relevant Issuer or, as the case may be, the relevant Guarantor to, or to the order of, the holder of such Global Note.

Notwithstanding the provisions of this Condition, if any amount of principal and/or interest in respect of Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (i) the relevant Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on such Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and

- (iii) such payment is then permitted under United States law without involving, in the opinion of the relevant Issuer and the relevant Guarantor, any adverse tax consequences to the relevant Issuer or the relevant Guarantor.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 7 and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the “Code”) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 7) any law implementing an intergovernmental approach thereto.

(e) *Payment Day*

If the date for payment of any amount in respect of any Note or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to any further interest or other payment in respect of such delay. For these purposes, “*Payment Day*” means any day which is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) in the case of Notes in definitive form only, the relevant place of presentation;
 - (B) each Additional Financial Centre specified in the applicable Final Terms; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the TARGET2 System is open.

(f) *Interpretation of principal and interest*

Any reference in these Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 7;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) the Residual Call Early Redemption Amount (if any) of the Notes;
- (vi) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 6(f)(ii)); and
- (vii) any premium and any other amounts (other than interest) which may be payable by the relevant Issuer under or in respect of the Notes.

Any reference in these Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7.

6. Redemption and Purchase

(a) *Redemption at maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the relevant Issuer at its Final Redemption Amount specified in the applicable Final Terms in the relevant Specified Currency on the Maturity Date.

(b) *Redemption for tax reasons*

The Notes may be redeemed at the option of the relevant Issuer in whole, but not in part, at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note), on giving not less than 30 nor more than 60 days' notice to the Agent and, in accordance with Condition 13, the Noteholders (which notice shall be irrevocable), if:

- (i) on the occasion of the next payment due under the Notes, the relevant Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 7 or the relevant Guarantor would be unable for reasons outside its control to procure payment by the relevant Issuer and in making payment itself would be obliged to pay such additional amounts, in each case as a result of any change in, or amendment to, the laws or regulations of the Netherlands or any political subdivision of, or any authority in, or of, the Netherlands having power to tax, or any change in the application of any official or generally accepted practice of any such authority therein or thereof or in the application or official interpretation of any official or generally accepted interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes; and
- (ii) such obligation cannot be avoided by the relevant Issuer or, as the case may be, the relevant Guarantor taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the relevant Issuer or, as the case may be, the relevant Guarantor would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition, the relevant Issuer or, as the case may be, the relevant Guarantor shall deliver to the Agent a certificate signed by two Directors (or if there is one Director, a Director) of the relevant Issuer or, as the case may be, two Directors (or if there is one Director, a Director) of the relevant Guarantor stating that the relevant Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the relevant Issuer so to do have occurred, and an opinion of independent legal advisers of recognised standing approved by the Agent to the effect that the relevant Issuer or, as the case may be, the relevant Guarantor has or will become obliged to pay such additional amounts as a result of such change or amendment and the Agent shall be entitled to accept the certificate and the opinion as sufficient evidence of satisfaction of the conditions precedent set out above, in which event they shall be conclusive and binding on the Noteholders and the Couponholders.

Notes redeemed pursuant to this Condition 6(b) will be redeemed at their Early Redemption Amount referred to in paragraph (f) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(c) *Redemption at the option of the relevant Issuer (Issuer Call)*

If Issuer Call is specified in the applicable Final Terms, the relevant Issuer may, having given:

- (i) not less than 10 nor more than 30 days' notice (or such other notice period as may be specified in the applicable Final Terms) to the Noteholders in accordance with Condition 13; and
- (ii) not less than 10 days before the giving of the notice referred to in (i), notice to the Agent;

(which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date(s). Upon expiry of such notice the relevant Issuer shall be bound to redeem the Notes accordingly.

If Make-Whole Amount is specified in the applicable Final Terms as the Optional Redemption Amount, the Optional Redemption Amount shall be an amount calculated by the Independent Financial Adviser equal to the higher of (i) 100 per cent. of the nominal amount outstanding of the Notes to be redeemed or (ii) the sum of the present values of the nominal amount outstanding of the Notes to be redeemed and the Remaining Term Interest on such Note (exclusive of interest accrued to the date of redemption) discounted to the date of redemption on an annual basis (or such other basis as may be specified in the applicable Final Terms) at the Reference Bond Rate, plus the Redemption Margin. Any such notice of redemption may, at the relevant Issuer's discretion, be subject to one or more conditions precedent, in which case such notice shall state that, in the relevant Issuer's discretion, the Optional Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the relevant Issuer in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the relevant Issuer in its sole discretion) by the Optional Redemption Date, or by the Optional Redemption Date as delayed. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Higher Redemption Amount, in each case as may be specified in the applicable Final Terms.

Any redemption in part must be of a nominal amount equal to the Minimum Redemption Amount or a Higher Redemption Amount. In the case of a partial redemption of Notes, the Notes to be redeemed ("*Redeemed Notes*") will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the "*Selection Date*"). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 13 not less than 15 days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph (c) and notice to that effect shall be given by the relevant Issuer to the Noteholders in accordance with Condition 13 at least five days prior to the Selection Date.

(e) *Redemption at the option of the Noteholders (Investor Put)*

If Investor Put is specified in the applicable Final Terms, upon the holder of any Note giving to the relevant Issuer in accordance with Condition 13 not less than 15 nor more than 30 days' notice (or such other notice period as may be specified in the applicable Final Terms) the relevant Issuer will, upon the expiry of such notice, redeem such Note on the Optional Redemption

Such Notes may be held, reissued, resold or, at the purchaser's option, surrendered to any Paying Agent for cancellation.

(h) *Cancellation*

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Coupons and Talons attached thereto or surrendered therewith at the time of redemption). - (ii) the fifth day after the date on which the full amount of the moneys payable in respect of such Zero Coupon Note has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 13.

(j) *Redemption or purchase upon Change of Control*

If Change of Control Put is specified in the applicable Final Terms and whilst any of the Notes remain outstanding, a Change of Control and a Negative Rating Event occur within the Change of Control Period and continue until the end of the Change of Control Period (a "*Put Event*"), each holder of any Note shall have the option (the "*Change of Control Put Option*") to require the relevant Issuer to redeem (or, at the option of the relevant Issuer, to purchase (or to procure the purchase of)) such Note, in whole (but not in part) on the date falling 7 Business Days after the end of the Put Period (as defined below) (such date a "*Put Date*") at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Put Date. Following the occurrence of a Put Event, and in any event not more than 10 Business Days after the end of the Change of Control Period, the relevant Issuer shall give notice to the holders of the Notes of the occurrence of the Put Event (the "*Put Event Notification*").

To exercise the Change of Control Put Option, the holder of the Note must, if it is in definitive form and held outside Euroclear and Clearstream, Luxembourg, deliver this Note at the specified office of any Paying Agent at any time during the normal business hours of such Paying Agent falling within the period of 10 Business Days after the relevant Put Event Notification is given (the "*Put Period*"), accompanied by a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a "*Put Notice*") and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition accompanied

by this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to its order or under its control.

If the Note is in definitive form, it should be delivered together with all Coupons appertaining thereto (which expression, if applicable, shall for this purpose include Coupons falling to be issued on exchange of unmatured Talons) maturing after the Put Date, failing which (i) if this Note is a Fixed Rate Note, the amount of any such missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment and (ii) if this Note is a Floating Rate Note, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void. In the case of (i) above, each amount of principal so deducted will be paid in the manner provided in Condition 5 against surrender of the relative missing Coupon at any time before the expiry of ten years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

If the Note is represented by a Global Note, or is in definitive form and held on behalf of Euroclear and/or Clearstream, Luxembourg, to exercise the Change of Control Put Option, the holder of this Note must, within the Put Period, give notice to the Agent of such exercise in accordance with the standard procedures of the relevant clearing system (which may include notice being given on his instruction by Euroclear and/or Clearstream, Luxembourg or any common depository therefor to the Agent by electronic means) in a form acceptable to Euroclear and/or Clearstream, Luxembourg from time to time and, if this Note is represented by a Global Note, at the same time present, or procure the presentation of, the relevant Global Note to the Agent for notation accordingly.

If this Note is in definitive form, the Paying Agent to which this Note and the related Put Notice are delivered will issue to the relevant Noteholder concerned a non-transferable receipt in respect of this Note. Payment in respect of any Note so delivered will be made, if the holder duly specified a bank account in the Put Notice to which payment is to be made, on the Put Date by transfer to that bank account and, in every other case, on or after the Put Date against presentation and surrender or (as the case may be) endorsement of such receipt at the specified office of any Paying Agent. A Put Notice or other notice given in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg given by a holder of any Note pursuant to the Conditions shall be irrevocable except where, prior to the due date of redemption, an Event of Default has occurred and the Notes are to be due and payable pursuant to Condition 9, in which event such holder, at its option, may elect by notice to the relevant Issuer to withdraw the notice given pursuant to this provision. For the purposes of this provision and the Conditions, receipts issued pursuant to this Condition shall be treated as if they were Notes.

The relevant Issuer shall redeem or purchase (or procure the purchase of) the Notes on the Put Date unless previously redeemed (or purchased) and cancelled.
