# Prior Authorization and Step Therapy.

Prioritizing safe and effective therapy.

## **Medications Requiring Prior Authorization or Step Therapy**

Below is a list of medicines that will not be covered without meeting step therapy criteria or a prior authorization for medical necessity. If you continue using one of these medicines without prior approval, you may be required to pay the full cost.

If you are currently using one of the drugs requiring prior authorization, ask your doctor to choose one of the generic or brand formulary options listed below. You can also reach out and chat with a clinical pharmacist through the RightwayRx App available on the Apple App Store® and Google Play™ store.
