Mark Hart makes the Bible come alive for Catholic teens by unpacking God's Word in a way they can relate to and understand. *T3* teaches teens the Bible by following the fascinating story of Scripture and showing them the "big picture" of salvation history. When young students of the Bible first understand the "story," they are eager to learn more. The net result: Teens begin to wrap their minds and hearts around the Scriptures. They come to see the Bible as a relevant part of their lives.

"Mark Hart is wonderful with youth. He makes [Bible study] enjoyable. It's not like a lecture. He makes it fun and worth listening to. And he teaches you a lot about the way God thinks."
