Encounter: Experiencing God in the Everyday is more than a Bible study program. It is a life-changing experience that speaks directly to the hearts and minds of middle schoolers. This program uses the color-coded *Bible Timeline* learning system to reveal the story of our faith and God's plan for our lives. As students are drawn into this story they will come to see God not as a distant doctrinal concept, but as a loving Father who desires a meaningful and lasting encounter with them.

"I never knew that reading the Bible could be so much fun!"

–Grant, Middle School Student
