

DID YOU KNOW?

1. Israelites were forbidden (in Old Testament times) to wear clothes made of two kinds of material. So much for 50 percent cotton and 50 percent polyester!
2. The word “manna” literally means, “What is it?”
3. There weren’t just two of every animal on the ark. In fact, there were seven pairs of all the clean animals (Genesis 7:2-4).
4. In 2 Samuel 21:20-21, it says that Jonathan killed a man who had six fingers on each hand and six toes on each foot. Seriously.
5. King David had twenty children (1 Chronicles 3:1-9). They probably didn’t go out to eat very much.
6. Abraham was 100 years old when his son, Isaac, was born (Genesis 21:5). Imagine him trying to keep up at the playground.
7. St. Paul and the early Christian disciples would pray every day at 3 PM (Acts 3:1). Many people still do it.
8. King Solomon had 12,000 horses (1 Kings 10:26). Imagine the smell.
9. King Solomon imported peacocks to decorate his palace (1 Kings 10:22). Throw pillows probably would have been less messy.
10. Job had 3,000 camels (Job 1:3) ... animals, not cigarettes.
11. St. Paul was in a shipwreck on a boat with 276 people on board (Acts 27:37). In fact, Paul was shipwrecked three different times.
12. The Garden of Eden had four different rivers: Pishon, Gihon, Tigris, and Euphrates (Genesis 2:11-14). Any of those sound familiar from social studies?
