If you are looking for a career where you can make a difference, work collaboratively with committed and passionate people and have real opportunities for professional development, we encourage you to join our team.

Why we exist

The Summer Foundation exists to permanently stop young people with disability from being forced into residential aged care, ensuring people with disability have access to the support required to be in control of where, how and with whom they live.

How will we know we've succeeded

This problem can be solved, we are doing legacy work, and we are well on track to achieving what we set out to do. In 5 years we expect the Summer Foundation will have achieved its purpose. We will regard this as '*job done*' when the systems, policy settings and markets consistently enable people with disability to live where, how and with whom they choose; experiencing choice and control equal to people without disability.

Our workplace

We have staff working all across Australia, however our head office is located in Box Hill, Victoria. To meet some of our staff and watch a short clip about our organisation, please go to:
