9:20 AM **KEYNOTE ADDRESS**
Laura Kilcrease - Alberta Innovates

9:45 AM **MORNING TEA**

10:15 AM **Session One: Show Me The Money**
Sponsored by AgTech Finder

Digital technology promises to raise productivity and profitability for producers, but where is the evidence to back up this claim? This session will explore what farmers can expect from tech investment, and the flow on effect this will have for Australia's agrifood industry.

10:20 AM **KEYNOTE**
Michael Whitehead
Head of Agribusiness Insights, ANZ Bank

10:35 AM **CASE STUDY**
Prof. Jacquie McGlade
Chief Scientist, Co-Founder Downforce Technologies

9:20 AM **KEYNOTE ADDRESS**
To Be Announced

9:45 AM **MORNING TEA**

10:15 AM **Session Three: Eyes on Export**

Contact us to sponsor this session

As new regulatory requirements emerge from different importing countries, the need for producers to prove Australia's long-standing reputation is necessary for new and continued market access. This session will explore the importance of defining a narrative and why embracing Environmental, Social and Governance (ESG) reporting is a must.
