

Making Every Scoop Count.

Donation Programs

Our Grandpa Johnson wasn't just an ice cream entrepreneur. He was a man of purpose, who gave more than just the smiles that come with ice cream cones. In that spirit, Johnson's Real Ice Cream is proud to donate to the communities we serve.

We make "Every Scoop Count" in 3 ways.

A Kid Again giving

Through our longstanding commitment to A Kid Again, every time you buy one of our pints in our stores or in supermarkets, you are helping a kid facing a challenging illness.

Education Focused donations

We believe supporting education is key to ensuring future successes. With that, Johnson's provides donations to K-12 schools through donations of scoop cards, gift cards and at times, in-kind product.

Education Focused spirit nights

K-12 school and other eligible education related 501c3 organizations can schedule an evening at our one of our locations and receive 20% of the sales from invited guests that present the flyer provided by Johnson's.

Spirit Nights are available on select days (Mon-Wed), September through April. Holidays excluded.

Interested?

If you would like to request a donation or schedule a Spirit Night, please complete our online application by [clicking here](#) or visiting our website at johnsonsrealicecream.com.
