

Information Requirements in accordance with Regulation (EU) 2023/826

The following information is provided in accordance with Regulation (EU) 2023/826 (Ecodesign requirements for external power supplies, including information requirements for end-user documentation and publicly available websites).

Models: Toothbrush Handle 3796 with iO Sense Base 3786 & AC/DC Adapter 492-5218

- **Networked Standby Mode (WLAN activated, handle not connected):**
Power Consumption: 1.2 W
- **Standby Mode (WLAN deactivated, handle not connected):**
Power Consumption: 0.1 W
- **Battery Maintenance Mode (WLAN activated, handle fully charged on base):**
Power Consumption: 1.1 W
- **Battery Maintenance Mode (WLAN deactivated, handle fully charged on base):**
Power Consumption: 0.1 W

Models: Toothbrush Handle 3796 with Charging Case 3759 & AC/DC Adapter 492-5218

- **Standby Mode (handle removed from charging case):**
Power Consumption: 0.1 W
- **Battery Maintenance Mode (handle fully charged in case):**
Power Consumption: 0.1 W

Models: Toothbrush Handle 3796 with Charger Type 3768

- **Standby Mode (charger only, handle removed):**
Power Consumption: 0.1 W
- **Battery Maintenance Mode (handle fully charged on charger):**
Power Consumption: 0.1 W

Models: Toothbrush Handle 3795 with Charger Type 3757

- **Standby Mode (charger only, handle removed):**
Power Consumption: 0.24 W
- **Battery Maintenance Mode (handle fully charged on charger):**
Power Consumption: 0.26 W

Models: Toothbrush Handle 3770 with Charger Type 3757

- **Standby Mode (charger only, handle removed):**
Power Consumption: 0.24 W
- **Battery Maintenance Mode (handle fully charged on charger):**
Power Consumption: 0.25 W

Models: Toothbrush Handle 3753 with Charger Type 3757

- **Standby Mode (charger only, handle removed):**
Power Consumption: 0.25 W
- **Battery Maintenance Mode (handle fully charged on charger):**
Power Consumption: 0.25 W

Models: Oral Irrigator 3720 with Charger Type 3726

- **Standby Mode (charger only, irrigator removed):**
Power Consumption: 0.2 W
- **Battery Maintenance Mode (irrigator fully charged on charger):**
Power Consumption: 0.2 W
