

How-To: Create a User Account

Create your account and join the Be The People platform in just a few easy steps. Use this guide to walk through the registration process and get up and running quickly, or click [here](#) to watch a short tutorial for a step-by-step overview.

1

Visit www.bethepeople.org

Navigate to the platform homepage and click the 'Join Us' button in the center of the page, or the 'Log In or Sign Up' button on the top right corner.

2

Select the Sign Up link and Fill Out Required Fields

Log in or sign up

Email address*

Password*

[Forgot password?](#)

*Required Fields

Provide your email address, account password, first name and last name. If you are staff member administering project pages for your organization, use your work email address. Check all applicable boxes, and select Create Account.

Sign up for an account

Email address*

Password*

First name*

Last name*

Phone number (optional)

ZIP Code (optional)

I confirm that I am at least 18 years old and I agree to the [Terms of Use](#) and [Privacy Policy](#) .

Opt in to the newsletter for updates.

3

Confirm Your Email

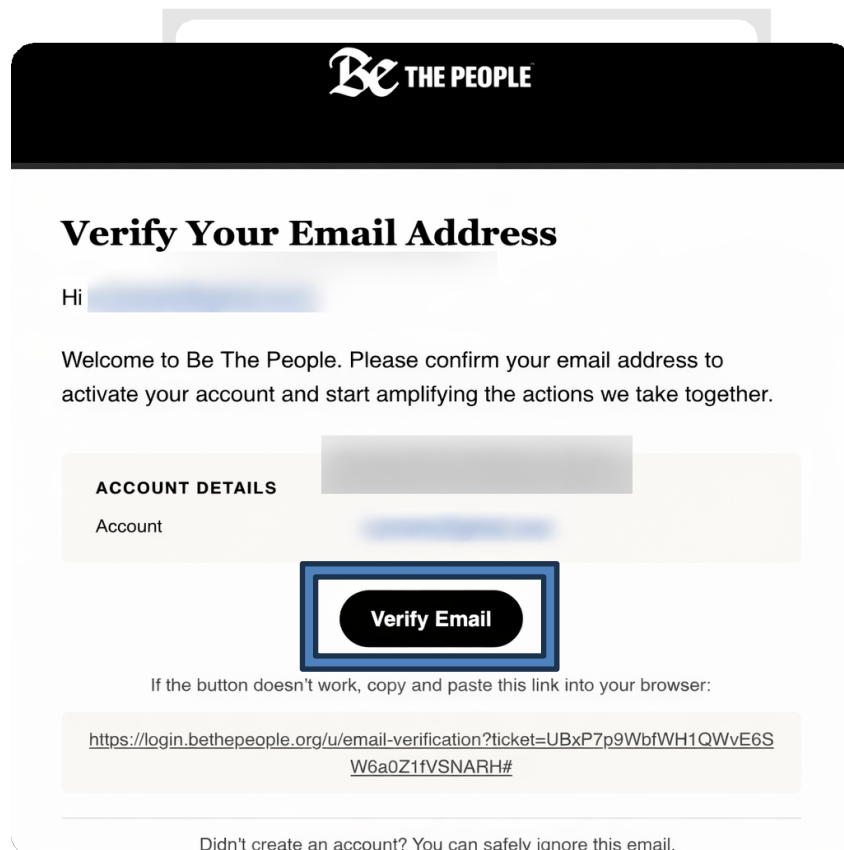

You will receive an email from bethepeople.org which verifies your email address.

4

Complete Email Verification

Select the link listed in the email to complete email verification.

5

Log In to the Be the People Platform

The link will lead you back to the Be The People home page, where you can now log in and start creating projects!

6

On the Horizon

Exciting new ways to create opportunities and share stories are coming on June 4th!

- An **opportunity** is a specific, time-bound way for people to get involved such as volunteering, attending an event, or contributing to a project.
- A **story** is a short piece of content that highlights impact, including what happened, who it helped, and why it matters, often supported by photos or video.
