

Let's get started

Here are a few things to help guide your health care journey with us

Welcome to Aetna® Medicare! Health care is complex. But we can help you make smart decisions with information on your coverage, your medication, how to prep for your doctor visits and more. Thank you for trusting us to help you with your health and wellness goals.

Create an account

Register and login to your secure [member website](#) where you'll find plan information, tools to help you manage your benefits and support.

Check your ID card

Make sure your primary care physician (PCP) or group practice is listed and correct. [View, select or change your PCP](#)

Schedule annual checkups and preventative screenings

We've prepared a [visit checklist](#) so you can plan ahead and get the most out of your medical visits.

Review your prescriptions

Know your [medication coverage and cost](#) before you fill a prescription.

Learn about your coverage and benefits

See all your [coverage and benefits details](#).

Print this list to track your progress

See Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area. The formulary, provider and/or pharmacy network may change at any time. You will receive notice when necessary. Participating physicians, hospitals and other health care providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change.
