- > Include digital coupon savings in headline, where applicable.

File Size: Video creatives hosted by Bid Manager can be up to 1 GB. Always upload a source file with the highest possible specifications you have available, so that Bid Manager can transcode the asset into as many serving files as possible.

However, individual exchanges may have different maximum file sizes, so plan accordingly.

Duration: Video inventory supports a variety of durations up to 90 seconds (e.g. 15, 20, 30, 60, 90 seconds). However, **it is recommended to keep video under 30 seconds** to ensure the best completion rates and most efficient CPMs. Sending multiple videos with different lengths is recommended.

Clickthrough URL: Make sure the creative has a clickthrough URL specified. Note that the clickthrough URL will be opened in a new window.

Content Best Practices: Consistently deliver a single simple message. The way of communicating this message can change, but the core should remain the same.
