TONE OF VOICE

Do not include copyrights or disclaimers, unless legally necessary (documentation required).

Brand and/or manufacturer logo can be featured.

Copy should be uplifting and upbeat, per Kroger Tone of Voice.

- > Suggestive rather than directive.
- > Avoid copy that assumes customer can be identified by: lifestyle, activities, demographics, or gender.
- > Avoid provocative statements.
- > Avoid competitive language (toward other products or retailers).
- > Do not direct customers to external websites, memberships, or rewards programs.
- > Do not include phone numbers or email addresses.
- > Avoid using phrases or taglines that may be trademarked by competing retailers (e.g. "Just for You"). See Appendix.
- > Avoid "So we've sent you these savings" or "We're sending you these savings."
- > Avoid capitalizing words with the exception of "OFF" and "NEW" in creative copy (capitalized words embedded into images are permitted)
- > Avoid mentioning specific product pricing and/or location unless approved by a Category Manager
- > Include digital coupon savings in headline, where applicable.
- > When driving media to a coupon, include a digital coupon callout in the copy (e.g. "Save \$X on Product with digital coupon") or use the "Clip Coupon" CTA. This helps prime our Customer to take the next step and load the offer to their card.
- > When calling out savings within any body copy, should say "with your Card" and "with your digital coupon" so copy sounds more personal/thoughtful

Prohibited Content: Tobacco, weapons, nudity, defamatory/hate content, illegal activities, profanities, spyware, offers of free gifts, links to quizzes/surveys, misleading claims, references to sex or sexuality

See Appendix for required CTA wording.

Krojis are not permitted to be used in creative.

Duration: Video inventory supports a variety of durations up to 90 seconds (e.g. 15, 20, 30, 60, 90 seconds). However, **it is strongly recommended to keep video under 30 seconds** to ensure the best completion rates and most efficient CPMs. Sending more than one video with different lengths is recommended.

Creative Best Practices: Consistently deliver a single simple message using engaging imagery and copy. The way of communicating this message can change, but the core should remain the same. Include your brand logo as a highly visible prop so viewers cannot miss the branding. Make sure to present the branding within the first 3-5 seconds of the video.
