

HOW SAMSARA CAN

Help your fleet do more with less

Reduce costs, save time, and keep customers happy with Samsara's complete fleet management platform.

Decrease vendor spend with one consolidated platform

REAL-TIME GPS TRACKING

- Live tracking for vehicles, trailers, and equipment
- Trip histories
- Geofence alerts
- Utilization reporting

ELD COMPLIANCE

- FMCSA-certified ELD
- App-based e-logging, no proprietary hardware required
- Centralized real-time visibility

SAFETY & DASH CAMS

- In-cab alerts
- Auto-uploaded footage
- Coaching tools and reports

FUEL & MAINTENANCE

- Real-time fault codes
- Paperless DVIRs
- Configurable alerts

DOCUMENTS & MESSAGES

- Two-way messaging
- Digital record-keeping
- Custom workflows

APIS & INTEGRATIONS

- Open REST APIs
- TMS, payroll, and more
- Custom software, apps

WIFI HOTSPOT

- In-cab WiFi
- Cellular data included
- For any app or device

ROUTING & DISPATCH

- Streamlined dispatch
- Real-time route tracking
- Route analytics

Reduce fuel costs

Decrease unnecessary costs to your bottom line.

Avoid fuel waste with:

- Real-time engine idling by vehicle or driver
- Automatic IFTA reporting
- Routing optimization

Decrease accident costs

Minimize fleet risk and liability. Protect your business from false claims with:

- AI dash cams
- In-cab alerts
- Auto-uploaded HD incident footage
- Driver safety scores, coaching workflows, and reports

Extend vehicle life and optimize utilization

Get more value out of the assets you already have. Streamline maintenance and make informed rightsizing decisions with:

- Real-time engine diagnostics
- Customizable alerts for fault codes, DVIRs, and more
- Usage-based preventative maintenance scheduling
- Utilization, detention, and billing reports

Retain more customers

Exceed customer expectations in the “Amazon Effect” era. Retain your existing customers and win new business with:

- Automatic ETA alerts and live location sharing
- Digital documents, including e-signature and proof of delivery
- Reefer temperature monitoring for fewer rejected loads

Find ways to save across your business with Samsara's complete fleet management platform.
