LIGHT-TREND MODERN TILE

东华里灵感源于岭南古建筑群的水磨青砖，传统文化和现代工艺结合，以低饱和度的纯色系列传递艺术气息，恰到好处地演绎符合当下审美的时尚潮流，简约之中富有内涵。

Its design is inspired by the black waterstone in lingnan ancient buildings. It is the combination of traditional and modern technology. It conveys artistics with low-saturation colors and deduces the modern fashion in an appropriate approach. It is simple but has rich connotation.
