

Automatic Knife Warranty Return Form

The CRKT product warranty covers any defects in materials or workmanship to the original owner. If one of our knives or tools ever breaks or fails because of material or manufacturing defect, at CRKT's option the product will be repaired, replaced, or substituted with a product of equal value. Broken blades are not covered if the item has been used in any manner other than its intended purpose of cutting. Coverage ends if you sell or otherwise transfer the knife to someone else, or if your CRKT knife is modified in any way.

NOTE: Any automatic knife returned for warranty or service from outside of Oregon must also include either a signed "Automatic Opening Knife Acknowledgment Form" (see next page) or be returned through an authorized CRKT dealer. No exceptions will be made.
