Reading your policy

We have used the headings in this policy document to help guide you. These headings are purely descriptive in nature. You should not rely on headings to interpret the policy.

Words with specific meanings

We have coloured some words blue. These words have specific meanings. We have explained them in the 'Definitions' section at the end of this policy document.

We also use the following common terms throughout this policy document that have the below meanings:

- 'we', 'us' or 'our' means AA Insurance Limited
- 'you' or 'your' means the people listed as 'Who's insured' on your [policy schedule](#)
- 'your caravan or trailer' means the caravan or trailer listed on your [policy schedule](#).

Cancelling your policy

You have a cooling-off period if you change your mind

We provide you with a 21-day cooling-off period. You can cancel your policy within 21 days from the day your policy started, as long as you have not made a claim. We will refund you the full amount of any premium paid.

If you choose to cancel your policy after the cooling-off period

You may cancel this policy at any time unless you have made a claim for a total loss.

If you cancel your policy outside the cooling-off period and you have not made a claim, we will refund you any amount we owe after the cancellation date. We will deduct any cancellation fee shown on your [policy schedule](#) from the amount we refund you.

If we choose to cancel your policy

We may cancel your policy at any time by notifying you in writing. The cancellation will take effect on the 7th day after we have sent the notice. We will refund you any amount we owe after the cancellation date.

What you are covered for

We will insure you for [loss](#) to your caravan or trailer anywhere in New Zealand during the [period of insurance](#).

Your caravan or trailer includes

Your caravan or trailer includes all the following:

- ✓ the standard manufacturer's equipment and options
- ✓ any [accessories](#)
- ✓ any [modifications](#) that have been fitted to your caravan or trailer that we have agreed to cover.

Your caravan or trailer does not include

Your caravan or trailer does not include any of the following:

- ✗ [modifications](#) we have not agreed to cover
- ✗ personal effects and household contents (such as clothing, sporting or recreational equipment, tools, eyewear, cell phones, tablets, or laptops) in your caravan or trailer
- ✗ goods or items in your caravan or trailer that are used or carried for a business, profession or occupation.

Limits on what we will pay

The most we will pay for any one [event](#) is the total of:

- the [Agreed Value](#) of your caravan or trailer
- \$20million for your [legal liability](#)
- the maximum you are entitled to under the standard benefits:
 - '[Towing, storage and transport](#)' on page 5
 - '[Road clearing and emergency costs](#)' on page 5
 - '[Temporary accommodation](#)' on page 5
 - '[Caravan contents](#)' on page 5.

We will reduce the amount we pay by the total applicable excess and any other deductions set out in this policy.

Making a claim

This section explains what you need to do when you make a claim.

You must comply with all the following conditions

What you must do immediately after an event

Immediately after an [event](#), you or any driver must comply with all the following conditions:

- take all reasonable steps to prevent further [loss](#)
- make a complaint to the police in the case of theft, burglary or vandalism, or the attempt at these
- tell us if you or any person covered by this policy is charged with any offence that has resulted in [bodily injury](#) to another person.

What you must not do after an event

You must not do any of the following:

- admit liability
- incur any expense or negotiate, pay, settle, or make any agreement about any claim without our consent
- make any offer of reparation (including as part of any case management conference or sentencing hearing) without getting our consent in writing.

Information you must give us after an event

As soon as possible you or any driver must tell us:

- that the [event](#) happened, giving full details and circumstances of what has happened, including details of everyone involved
- if any of your lost or stolen property is recovered.

Other conditions you must comply with after an event

As soon as possible you or any driver must:

- get our permission before you incur any expense, other than the reasonable cost of urgent work to prevent further [loss](#)
- send us all relevant communications you receive
- make your caravan or trailer available for inspection and assessment before any repairs are carried out
- keep damaged property for our inspection
- provide proof of ownership, information and other evidence that we ask for, including proof of purchase.

What you must do to support the claims process

You must co-operate with us and give us any information or help we ask for about your claim.

You must also assist and co-operate with us, our assessors, investigators, lawyers or anyone else we appoint to help with your claim.

This includes all the following:

- activities associated with making your claim
- your claim settlement
- the defence of any potential claim against you
- any action against anyone else.

You must also allow us, at our expense and in your name, to:

- take any action necessary against any other party
- take over and conduct the defence and settlement of any claim against you.

What happens if you do not comply with any of the claims conditions

If you do not comply with any of the claims conditions, we can:

- decline your claim
- recover from you what we have already paid.

You will have to pay an excess

You must pay an excess for each individual [event](#).

We may deduct your excess from the total settlement amount.

The circumstances of your claim determine the value of the excess you need to pay. You might have to pay more than one type of excess for each claim. Your [policy schedule](#) tells you the amount and types of excess.

If you claim under more than one policy with us for [loss](#) caused by a single [event](#) at the same location, you will only have to pay one excess. This will be the highest total applicable excess.

What we need to reimburse your excess

We will reimburse your excess for an [event](#) if you have paid your excess and all the following criteria are met:

- you give us the correct name and contact details of the other driver
- you give us the correct registration number of the other vehicle
- the person responsible confirms their involvement in the [event](#)
- we agree the driver of your vehicle was not at fault and did not contribute to the [event](#).

If your claim is for theft, you must make a complaint to the police. Your complaint must result in the offender being charged before we can reimburse your excess. If you withdraw your complaint against the offender, you must repay the excess.

How we will settle your claim

This section explains how we will settle your claim.

We will choose to settle your claim in any of the following ways:

- Repairing your caravan or trailer
- Paying the costs to repair your caravan or trailer
- Paying your claim as a total loss.

Repairing your caravan or trailer

When we choose to repair your caravan or trailer

We can choose to repair your caravan or trailer if it has been damaged, and we believe all the following:

- your caravan or trailer can be repaired safely
- your caravan or trailer is more cost-effective to repair than to pay the [Agreed Value](#).

When we arrange to repair your caravan or trailer, we will ensure it is repaired to a standard comparable to the condition of your caravan or trailer immediately before the [event](#).

If we repair your caravan or trailer to a better condition

If the repairs will put your caravan or trailer in a better condition than it was immediately before the [event](#), we will discuss this with you before any repairs begin. If we agree to complete repairs that are unrelated to your claim, you must pay the extra costs.

When we repair or replace parts of your caravan or trailer

We will decide whether damaged parts on your caravan or trailer are repaired or replaced. We will use new, recycled or reconditioned parts. You must let us take ownership of any parts we have replaced that have been damaged, lost, or stolen and are recovered.

If we choose to replace any parts, we will use original manufacturer branded parts, except for windscreens and window glass. When available, windscreens and window glass will be replaced with compatible aftermarket glass that meets all Australasian safety standards.

Paying the costs to repair your caravan or trailer

We can choose to pay the cost to repair your caravan or trailer to a standard comparable to the condition of your caravan or trailer immediately before the [event](#).

We will pay the lowest of the:

- reasonable cost of the repairs as estimated by our assessor
- amount we would have paid if we had arranged the repair ourselves.

We will not be responsible for the quality of workmanship provided by the repairer. We will not provide any guarantee relating to the repair.

For any part not available in New Zealand, the most we will pay is the lowest of the:

- manufacturer's last known list price in New Zealand
- price of the part's closest New Zealand equivalent
- cost of having a new part made in New Zealand.

We will not pay for the cost of freighting parts from overseas.

Paying your claim as a total loss

We can choose to determine your caravan or trailer as a total loss if we believe any of the following:

- it is not safe to repair the damage to your caravan or trailer
- the cost of repairing your caravan or trailer is more than the [Agreed Value](#), or it is uneconomic to repair
- your caravan or trailer has been stolen and has not been found within 10 days.

What happens when your caravan or trailer is a total loss

We will pay you the [Agreed Value](#) when your caravan or trailer is a total loss. We will deduct your total applicable excess, and any [on-road costs](#) that are not fully paid or up to date, from your settlement payment.

Once your claim is settled, your caravan or trailer, including all [accessories](#) and [modifications](#), becomes our property. We will also be entitled to any refund of [on-road costs](#). This includes when your caravan or trailer is recovered after it has been stolen.

Your premium and policy when your claim is a total loss

When your claim is a total loss, you must pay the total premium for the [period of insurance](#) in full before we can settle your claim. If you are paying your premium by instalments, we will deduct any unpaid instalments from your settlement payment. Your policy will end on the date of the [event](#). You will not receive any refund of your premium.

Standard benefits – cover automatically included

The following benefits are automatically included in your cover, if we have accepted your claim under this policy.

Towing, storage and transport

We will pay the reasonable costs for any of the following:

- moving your caravan or trailer to the nearest repairer or place of safety
- storing your caravan or trailer
- transporting you and your passengers to your home if your caravan or trailer cannot be towed.

Road clearing and emergency costs

We will pay the reasonable costs for any of the following:

- removal of debris from any road or parking area
- essential emergency repairs, so you can get your caravan or trailer to your destination or a repairer
- returning your caravan or trailer to your home following its repair, or following its recovery if it was stolen.

Temporary accommodation

We will pay up to \$500 for the reasonable costs of temporary accommodation for you and your passengers, if you are unable to return to the place you are currently living or staying.

Replacement caravan or trailer cover

We will automatically insure a replacement caravan or trailer for its [Market Value](#) for 30 days from the day you replaced or traded in your caravan or trailer. You will be covered as long as you do all the following:

- tell us within 30 days of the purchase date of the replacement caravan or trailer
- pay any extra premium that we may require.

The replacement caravan or trailer will be insured under the same terms that apply to your caravan or trailer.

Additional caravan or trailer cover

We will insure an additional caravan or trailer for up to 30 days from the purchase date for its [Market Value](#) or \$100,000, whichever is the lowest value. You will be covered as long as you do all the following:

- tell us within 30 days of the purchase date of the additional caravan or trailer
- pay any extra premium which we may require.

The additional caravan or trailer will be insured under the same terms that apply to your caravan or trailer.

Caravan contents

If your [policy schedule](#) shows 'Caravan Insurance', we will pay the necessary cost to replace your [caravan contents](#) where [loss](#) has occurred.

The necessary cost will be based on replacing the item with an equivalent item available in New Zealand, with due allowance for age, wear and tear, depreciation, and prior maintenance. This benefit does not cover clothing or personal effects.

The most we will pay is \$2,000 for any one [event](#).

Your legal liability

The most we will pay for legal liability is a total of \$20million for any one [event](#).

If you have cover for your legal liability under any other insurance policy with us, you can only claim this benefit under one policy per [event](#).

Property damage

We will pay up to \$20million for your legal liability for damage to physical property arising from an [event](#) in New Zealand involving your caravan or trailer during the [period of insurance](#).

Your cover under 'Property damage' includes related legal costs and expenses that we agree to.

Bodily injury

We will pay up to \$250,000 if you are ordered to pay a [reparation order](#) for [bodily injury](#) arising from an [event](#) in New Zealand involving your caravan or trailer during the [period of insurance](#).

You are not covered under 'Bodily injury' for any related legal costs and expenses.

Additional liability cover

We will also cover legal liability for 'Property damage' and 'Bodily injury' where:

- the [event](#) was caused by items falling from your caravan or trailer
- another person is towing your caravan or trailer with your consent, and is not otherwise excluded from the policy cover
- you are using an uninsured caravan or trailer that does not belong to you. This caravan or trailer must not be a hire, rental or lease vehicle. No cover applies for any [loss](#) to the caravan or trailer being towed.

What we do not cover under legal liability

You are not covered for any of the following:

- exemplary or punitive damages awarded against you
- legal defence costs, court costs and any levy, fine or penalty (other than a [reparation order](#)) arising from a prosecution of any offence under any Act of Parliament including regulations, rules or by-laws, against you, your employer, or any person using your caravan or trailer
- legal costs incurred by any other party that you agree to or are ordered to pay
- legal liability that you assume by agreement, unless you would have been liable anyway, or are ordered to pay
- any [loss](#) to property belonging to you, or in your care, custody or control, unless that property belongs to the passengers in your vehicle.
