# Introduction

We agree to cover you as set out in this policy document provided you have paid the premium due.

Your insurance contract consists of all of the following:

- this policy document
- the most recent **policy schedule** we have sent you
- the information you provided to us in your application or declaration
- any information you provide to us regarding any change in circumstances

whether you have received or provided this information verbally, or have completed, accessed, or received versions of these documents electronically or in printed form.

It is important you read your policy document and **policy schedule** carefully. If you have any questions or need more information, please contact us.

## If you change your mind

We provide you with a 21 day cooling-off period. You can cancel your policy within 21 days from the day cover began provided you have not made a claim. We will then refund in full any premium you have paid.

## Words with specific meaning in this policy

The words 'we', 'us' or 'our' mean AA Insurance Limited. The words 'you' or 'your' mean the person or persons listed as 'Who's insured' on the **policy schedule**. The words 'your motorhome' mean the motorhome that is described on the **policy schedule**. In addition there are other words in bold that have a specific meaning and are explained in the 'Definitions' section at the end of this policy document.

## Headings

Where headings are used in this policy, the headings or references are purely descriptive in nature and are not to be used for interpretative purposes.

## Goods and services tax

All amounts referred to in your policy are inclusive of Goods and Services Tax (GST).

## Governing law

This policy is governed by New Zealand law, and the New Zealand courts have exclusive jurisdiction over any legal proceedings about it.

# What you are covered for

## Cover for loss to your motorhome

### Comprehensive

If the **policy schedule** shows: 'Type of cover Comprehensive', we will insure you for sudden and accidental physical loss of or sudden and accidental physical damage to your motorhome that happens anywhere in New Zealand during the **period of insurance**.

### Third Party

If the **policy schedule** shows: 'Type of cover Third Party', you do not have cover for any loss of or damage to your motorhome.

### Your motorhome includes

Your motorhome includes all of the following:

- the standard manufacturer's equipment and options
- any **accessories**
- any **modifications** that have been fitted to your motorhome that we have agreed to cover.

### Your motorhome excludes

Your motorhome excludes all of the following:

- **modifications** we have not agreed to cover
- goods or items in your motorhome that are used or carried for a business, profession or occupation.

## Cover for your legal liability

We will pay for your legal liability for damage to physical property arising from accidents caused by your motorhome. We will also cover legal liability for damage to property arising from an accident where:

- another person is driving your motorhome with your consent and is not otherwise excluded from the policy cover
- the damage was caused by any trailer or caravan while attached to your motorhome provided it is not insured under any other policy
- the damage was caused by items falling from your motorhome, or any trailer or caravan while attached to your motorhome
- you are driving an uninsured motor vehicle, provided it does not belong to you and is not hired to you under a hire purchase or lease arrangement and is not being used for business purposes; no cover applies for the loss of or damage to the vehicle being driven.

We will pay up to \$20million for any one **event**. This includes related legal costs and expenses incurred with our consent.

If you have cover for your legal liability under any other insurance policy with us, you can only claim this benefit under one policy.

## What we don't cover under legal liability

We don't cover legal liability:

- for any exemplary or punitive damages
- for defence of criminal or traffic charges against you, your employer, or any person using your motorhome
- for any loss or damage to property belonging to you, or in your care, custody or control, unless that property:
  - belongs to the passengers in your motorhome, or
  - is an inoperative vehicle that you are towing (but not for financial gain).

We also don't cover the exclusions found under 'What we don't cover' on page 15.

# Limits on what we will pay

## Comprehensive

If the **policy schedule** shows: 'Type of cover Comprehensive' the most we will pay for any one **event** is the total of:

- the **Agreed Value** of your motorhome
- \$20million for legal liability
- the maximum you are entitled to under the following standard benefits:
  - 'Cover for emergency costs' on page 12
  - 'Cover for your motorhome contents' on page 13.

## Third Party

If the **policy schedule** shows: 'Type of cover Third Party' the most we will pay for any one **event** is the total of:

- \$20million in total for legal liability
- the maximum you are entitled to under the standard benefit 'Cover for accidents with an uninsured third party' on page 14.

We will reduce the amount we pay by the total applicable excess and any other deductions set out in this policy.

# Conditions of making a claim

---

You can make a claim by calling us at any time on **0800 500 216**.

---

It is a condition of your policy that you must co-operate with us and give us any information or help we ask for in relation to your claim.

## What you must do

Immediately after an **event** occurs, you or any driver of your motorhome must:

- take all reasonable steps to prevent further loss or damage
- inform the police in the case of theft, burglary or vandalism, or any attempt at these
- not admit liability
- not, without our consent, incur any expense or negotiate, pay, settle, or make any agreement in relation to any claim.

As soon as possible you or any driver must also:

- inform us of the **event** and give the full details and circumstances of what has happened, including details of everyone involved
- obtain our permission before you incur any expense, other than the reasonable cost of urgent work to prevent further loss or damage
- send us all relevant communications which you receive as soon as possible
- keep damaged property for our inspection
- make your motorhome available for inspection and assessment before any repairs are carried out
- provide proof of ownership, information and other evidence that we may require
- allow us at our expense and in your name to take any action necessary against any other party and to take over and conduct the defence and settlement of any claim against you
- provide all reasonable assistance and co-operate with us and our assessors, investigators, lawyers or anyone else we appoint to assist in the making of your claim, its settlement and any defence of a potential claim against you or any action against anyone else.

If you do not comply with any of these conditions we can:

- decline your claim
- recover from you any money we have paid.

## Your excess

An excess is the amount you have to pay for each individual **event** when you make a claim.

The total excess is determined by the circumstances of your claim; you might have to pay more than one type of excess when you claim. The amount and types of excesses are shown on the **policy schedule**.

If you claim under more than one policy with us for loss or damage caused by a single **event** at the same location you will only have to pay one excess. This will be the highest total applicable excess.

## Reimbursing your excess

We will reimburse the excess for an **event** if all of the following criteria are met:

- you give us the correct name and contact details of the other driver
- you give us the correct registration number of the other vehicle
- the person responsible confirms their involvement in the **event**
- we agree the driver of your motorhome was not at fault.

If your motorhome is stolen, and you have the details of the offender you must have made a complaint against the offender to the police, which has resulted in the offender being charged, before we can reimburse your excess. If you withdraw your complaint against the offender you must repay the excess.

# How we will settle your claim

---

We will choose to settle your claim by repairing your motorhome, paying the costs to repair your motorhome or by classifying your motorhome as a total loss.

---

## Repairing your motorhome

We can choose to repair your motorhome if it has been damaged, and in our opinion:

- it can be repaired safely, and
- it is more cost-effective to repair your motorhome than to pay the **Agreed Value**, or where your claim is under the standard benefit 'Cover for accidents with an uninsured third party', the \$4,000 benefit limit.

If we arrange to have your motorhome repaired, we will ensure your motorhome is repaired to a standard comparable to the condition of your motorhome immediately before the **event**.

## Repairing your motorhome to a better condition

If the repairs will put your motorhome in a better condition than it was immediately before the **event**, we will discuss this with you before any repairs begin. If we agree to complete repairs that are unrelated to your claim, you will be required to contribute the additional costs.

## Repairing or replacing parts

We will decide whether damaged parts on your motorhome are repaired or replaced.

If we choose to replace any parts, we will use original manufacturer branded parts, except for windscreens and window glass. When available, windscreens and window glass will be replaced with compatible aftermarket glass that meets all Australasian safety standards. The parts we use may be new, recycled or reconditioned. If we have replaced any parts then the damaged parts become our property.

## Paying the cost to repair

If we choose to pay you the cost to repair your motorhome to a standard comparable to the condition of your motorhome immediately before the **event** we will pay the lesser of:

- the reasonable cost of the repairs as estimated by our assessor
- the amount we would have paid if we had arranged the repair ourselves less the total applicable excess.

We will not be responsible for the quality of the workmanship provided by the repairer or provide any guarantee relating to the repair.

For any part not available in New Zealand the most we will pay is the lesser of:

- the manufacturer's last known list price in New Zealand
- the price of the part's closest New Zealand equivalent
- the cost of having a new part made in New Zealand.

We will not pay for the cost of freighting parts from overseas.

## Classifying your motorhome as a total loss

We will classify your motorhome as a total loss if any of the following apply:

- in our opinion, it is not safe to repair the damage to your motorhome
- in our opinion, the cost of repairing your motorhome is more than the **Agreed Value** or it is uneconomic to repair
- your motorhome has been stolen and has not been found within 10 days from the date you reported the theft to us or to the police.

When we settle a claim for a total loss:

- we will pay the **Agreed Value** of your motorhome less your total applicable excess and any **on-road costs** that are not fully paid
- we are entitled to any refund of **on-road costs**
- your motorhome, including all **modifications** and **accessories** becomes our property, this includes if it is recovered after it has been stolen
- the total premium for the entire **period of insurance** must be paid in full before the claim is settled
- your policy ends on the date of the **event** and you are not entitled to any refund of premium.

## Having interested parties

If you have a party who has a financial interest in property covered by this policy, such as a bank or finance company, we may partially or fully settle a claim by making payment to them. This payment will either go towards meeting or completely fulfilling our obligations under this policy. However, this interested party is not covered by this policy and does not have any right to make a claim under this policy. By noting an interested party on the **policy schedule**, you are authorising us to disclose your personal information to the interested party.

## Standard benefits

---

The following benefit is automatically included in your cover.

---

### Cover for a replacement motorhome

If you replace your motorhome, we will insure the replacement for its **Market Value** on the same terms that apply to your motorhome, provided:

- you tell us within 30 days of the purchase date of the replacement motorhome, and
  - you pay any extra premium which we may require.
- 

The following benefits ‘Cover for emergency costs’, ‘Cover for your motorhome contents’, ‘Cover for a new motorhome’ and ‘Excess-Free Glass Cover’ only apply if the policy schedule shows: ‘Type of cover Comprehensive’.

---

### Cover for emergency costs

If we have accepted your claim under this policy, we will pay the reasonable costs for any of the following:

- moving your motorhome to the nearest repairer or place of safety
- storage of your motorhome
- essential emergency repairs so you can get your motorhome to your destination or a repairer
- transporting you and your passengers to your home if the motorhome cannot be driven
- returning your motorhome to your home following its repair, or if it was stolen, following its recovery.

We will also pay up to \$500 for the reasonable costs of temporary accommodation for you and your passengers if your motorhome cannot be driven and you are unable to return to the place you are currently living or staying.

### Cover for your motorhome contents

We will cover sudden and accidental physical loss or sudden and accidental physical damage to your **motorhome contents**. We do not cover clothing or personal effects.

We will pay the amount necessary to replace the item in New Zealand with an item that is of equivalent age and capability, with due allowance for age, wear, tear, depreciation, and prior maintenance. The most we will pay is \$2,000 for any one **event**.

### Cover for a new motorhome

If we classify your motorhome as a total loss and the motorhome is less than one year old, we may at our option decide to replace your motorhome with a new motorhome. If we do this, we will also pay any **on-road costs**. The replacement motorhome:

- will be the same make, model, and specification as your motorhome
- will be fitted with the same options, **modifications** and **accessories** as those fitted to your motorhome
- must be available in New Zealand.

You must first pay us your total applicable excess and any **on-road costs** that are not fully paid or up to date. If we don't replace your motorhome, we will pay the **Agreed Value** less your total applicable excess and any **on-road costs** that are not fully paid or up to date.

### Excess-Free Glass Cover

No excess applies to claims for sudden and accidental physical damage to your windscreen or window glass provided there is no other damage to your motorhome.

We don't cover any of the following under this benefit:

- sunroofs, glass roofs, mirrors, headlights, tail lights, lamp covers or any other glass or transparent plastics or for the replacement of anything attached to the windscreen or window glass; you will need to pay your excess for claims involving these
- any damage, wear, tear or deterioration to your motorhome that must be repaired to enable glass to be fitted
- the replacement of any undamaged glass or parts of your motorhome in order to create a match.

---

The following benefit ‘Cover for accidents with an uninsured third party’ only applies if the policy schedule shows: ‘Type of cover Third Party’.

---

### **Cover for accidents with an uninsured third party**

We will cover sudden and accidental physical damage to your motorhome up to \$4,000, if all the below criteria are met:

- the damage was the result of an accident caused by an uninsured third party
- you give us the correct name and contact details of the uninsured third party
- you give us the correct registration number of the other vehicle
- the uninsured third party confirms their involvement in the **event**
- we agree the driver of your motorhome was not at fault.

We will settle your claim in one of the following ways:

- ‘Repairing your motorhome’
- ‘Paying the cost to repair’
- ‘Classifying your motorhome as a total loss’.

However the most we will pay is \$4,000.

## **What we don’t cover**

---

This section explains what your policy does not cover. These exclusions apply to all sections of this policy.

There is no cover if the person using the motorhome at the time of the **event**:

- was under the influence of alcohol, drugs or any other intoxicating substance

An act of terrorism means any act, including but not limited to the use of force or violence, or the threat thereof, which from its nature and context is done for, or in connection with, political, religious, ideological, ethnic, or similar purposes, including the intention to influence any government and/or to put the public or any member of the public in fear.

### **If there is consequential loss**

There is no cover for loss of use of your motorhome or consequential losses of any kind. This includes any loss of income, loss of value, additional costs, expenses and liability incurred due to your motorhome not being able to be used.

### **If there is reduction in value**

There is no cover for the reduction in value of your motorhome from any cause.

### **If there is wear, tear or depreciation**

### **If there is pollution or contamination**

There is no cover for any damage, loss, cost or liability caused by, arising from, or involving, pollution or contamination.

There is no cover under this policy where cover is provided by other insurance or by a warranty or guarantee. We will not contribute towards any claim made under any other policy.

### **If an excess applies**

There is no cover for your excess on this or any other policy.

### **If there is tyre damage**

There is no cover for damage to tyres caused by application of brakes or by punctures, cuts or bursts, however, if your **policy schedule** shows 'Type of cover Comprehensive' we will pay for the damage to tyres caused by malicious damage.

### **If the Accident Compensation Act 2001 applies**

There is no cover for costs which are covered under the provisions of the Accident Compensation Act 2001 (or any replacement Act) and any subsequent amendments.

### **If there are undamaged parts of the motorhome**

There is no cover for:

- the cost of painting, repairing or replacing an area, set or part of your motorhome that was not damaged in the **event**
- additional costs or loss due to paint, features, fabrics or other parts of your motorhome that are not able to be matched.

### **If your motorhome is unsafe**

There is no cover if the motorhome, trailer or caravan is overloaded or being used in an unsafe or unroadworthy condition. Cover will still apply if you can prove that you and the driver were unaware of such condition and had taken all reasonable steps to maintain your motorhome.

## If you incur costs

There is no cover for costs or expenses you incur in order for you to prove or assist us with your claim. This may include you or anyone else's time or materials used.

# Policy conditions

## You must not transfer your legal rights

You must not assign or transfer or attempt to assign or transfer this policy or your interest in this policy to any other party.

## You must give full and accurate statements

Your policy with us relies on the accuracy of the information you provide to us. You must provide full and accurate information and answer honestly, correctly and completely all questions we ask you.

If any claim under this or any other policy with us is supported by any incorrect or incomplete information or statement or is in any respect fraudulent, then your claim is not payable and this policy will be automatically terminated from the date that the incorrect information was supplied to us, or the statement or fraudulent claim was made to us. We may also terminate any other policy you have with us at the same time.

## You must tell us if there are any changes in circumstances

You must tell us immediately if any of the following happen:

- you or any driver are convicted of any criminal or driving offence
- you or any driver have a licence suspended, endorsed or cancelled
- you or any driver have any insurance policy or claim avoided, declined, cancelled or not renewed
- you change your address
- you replace your motorhome
- your motorhome use changes from what is shown on the **policy schedule**
- there is a change to the drivers of your motorhome
- you add, change or remove any **modifications**.

As a result of these changes in circumstances, or if you fail to tell us of a change immediately and we become aware of this, we may:

- change your policy terms and make alterations to your premium
- reduce cover or change limits
- cancel your policy.

We will notify you of this by sending you a **policy schedule** confirming the change and the date from which the change became effective.

If there is an alteration to your premium, which remains unpaid then we can reduce the **period of insurance** in line with the proportion of the unpaid premium.

### **You must maintain and secure your motorhome**

You must at your cost and expense maintain your motorhome in good repair, secure your motorhome and take all reasonable precautions to prevent loss or damage occurring.

### **You must take reasonable care**

You and any driver of your motorhome must take reasonable care:

- while driving or using your motorhome or any vehicle where liability for damage to other property is covered by this policy
- to avoid circumstances that could result in loss or damage.

Your claim will not be covered if you or any driver are reckless, grossly irresponsible or grossly negligent.

### **You are jointly insured**

All people listed as 'Who's insured' on the **policy schedule** are jointly insured and are considered to act with the expressed authority of each other. This means that if anyone does or fails to do anything so that there is no cover, there will be no cover for any of the people listed on the **policy schedule**. Each person listed under 'Who's insured' on the **policy schedule** has the right to make a change to the policy, make a claim under the policy, or cancel the policy.

## **If you breach policy terms and conditions**

Some parts of this policy can cover other parties as well as you. To gain benefit of any cover under this policy, they must meet all the same conditions and obligations that you are required to meet.

No claim will be payable where any person covered under this policy breaches any of the terms and conditions. Nothing in this policy affects the common law rights of either party, including our right to avoid your policy for non-disclosure. If we avoid your policy, any claim payments we have made to you or related costs we have paid must be refunded to us.

## **How we administer your policy**

### **If we send notices**

We will send any notice, **policy schedule** or other written document to your last known physical, postal or email address.

### **If you pay your premium by instalment**

If we have agreed to accept payment of your premium by instalment, where any instalment is overdue all benefits under this policy will be suspended from the date the first unpaid instalment was due. Your policy will be automatically cancelled if any premium instalments remain unpaid for 28 days. Because this cancellation is automatic you will not be sent a cancellation notice.

## **Cancellation**

### **Cancellation by you**

You may cancel this policy at any time.

If you cancel this policy outside the cooling-off period and you have not made a claim, you will be refunded the unused portion of your paid premium, less the cancellation fee shown on the **policy schedule**.

### **Cancellation by us**

We may cancel your policy at any time by sending you a notice to this effect. The cancellation will take effect on the 7th day after the notice has been sent. We will refund the unused portion of your paid premium.

## Agreed Value

The amount for which we have agreed to insure your motorhome. It is specified on the **policy schedule** and includes the value of any **modifications** and **accessories**.
