

Your Impact Through Where Most Needed

Your global impact this financial year

In times of trouble, people look to the church. When families show up on the doorstep of their local church, staff need the resources to respond in love and meet their urgent needs. This year, the most pressing needs have been support for unsponsored children and relief after disaster strikes.

Yet you didn't look away from your neighbours. You moved with compassion—and this is what changed.

Funded through Compassion globally

395,720

children were supported during a time of crisis with critical disaster relief.

448

local churches walked alongside 32,883 children on the road to recovery from disaster.

343,755+

children were able to eat, play and learn while they waited to be connected with a sponsor.

Your compassion in action

Hear from your neighbours how your compassion has brought support when they needed it most.

Elita can feed her family after a cyclone

When Cyclone Freddy devastated Elita’s home in Malawi, her local church immediately came through with food, blankets and clothes. Your support meant the church could keep moving alongside Elita’s family so they can get back on their feet.

Elita says, “I am at a loss for words to express my gratitude. Before the storm, I had planted rice, maize and sweet potato crops meant to sustain my daughter and me, but on one catastrophic night, the storm destroyed everything. Now, the church has supported us with an irrigation pump, which will help us replant maize not once but several times. With the food shortages caused by the disaster, this will be our lifeline.”

April has the same opportunities as sponsored children

In Indonesia, April has not had a sponsor for over 18 months. But thanks to your generosity, she receives the same support from her local church—food packs, school uniforms, and even special birthday gifts!

“What I love about the centre is that I can meet a lot of friends there,” April says.

Centre Director Jerimia shares, “The unsponsored children often don’t notice if they are unsponsored because we never separate them from one another, ever.”

Your impact in Myanmar

In March 2025, a powerful earthquake struck near Mandalay, Myanmar, devastating the lives of children and families. In the face of this crisis, your generosity ensured urgent support reached those who needed it most.

Funded through Compassion globally

570

families received urgent food packs in the aftermath of the earthquake.

350

families were provided with temporary shelter after their homes were devastated.

1,000

households in the Mandalay region were able to drink safe water during a time of crisis.

Thank you

2 Corinthians 1:3–4 says, “Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God” (NIV). Your gift has empowered local churches to bring God’s compassion and comfort to children, uplifting them in their times of trouble.
