

The Global Church: Moving With Compassion

Join the movement and partner
your church with Compassion.

“The Spirit of the Lord is on me, because he has anointed me to **proclaim good news to the poor**. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to set the oppressed free, to proclaim the year of the Lord’s favour.”
—Luke 4:18–19 (NIV)

Expand your reach

**Jesus has great plans for His Church.
And your church community is a part of it.**

Your church is already moving toward the world in love. With Compassion beside you, that movement grows—reaching places you could never access alone, forging new connections and strengthening your global impact.

Mobilise your church family

Be part of something global and deeply personal.

Partnering with Compassion gives every church member a personal, practical way to engage with mission and the global Church. You'll equip your congregation to grow stronger in faith, maturity and servant-hearted giving and, as lives are changed, the impact becomes something your whole church can see and celebrate.

“Compassion is a great organisation that I have partnered with privately for decades and through Crossway for many years. Their mission and impact is delivered through the local church. Jesus is central to their model. I celebrate Compassion and encourage you and your church to partner with them.”

– DALE STEPHENSON

Senior Pastor, Crossway Baptist Church

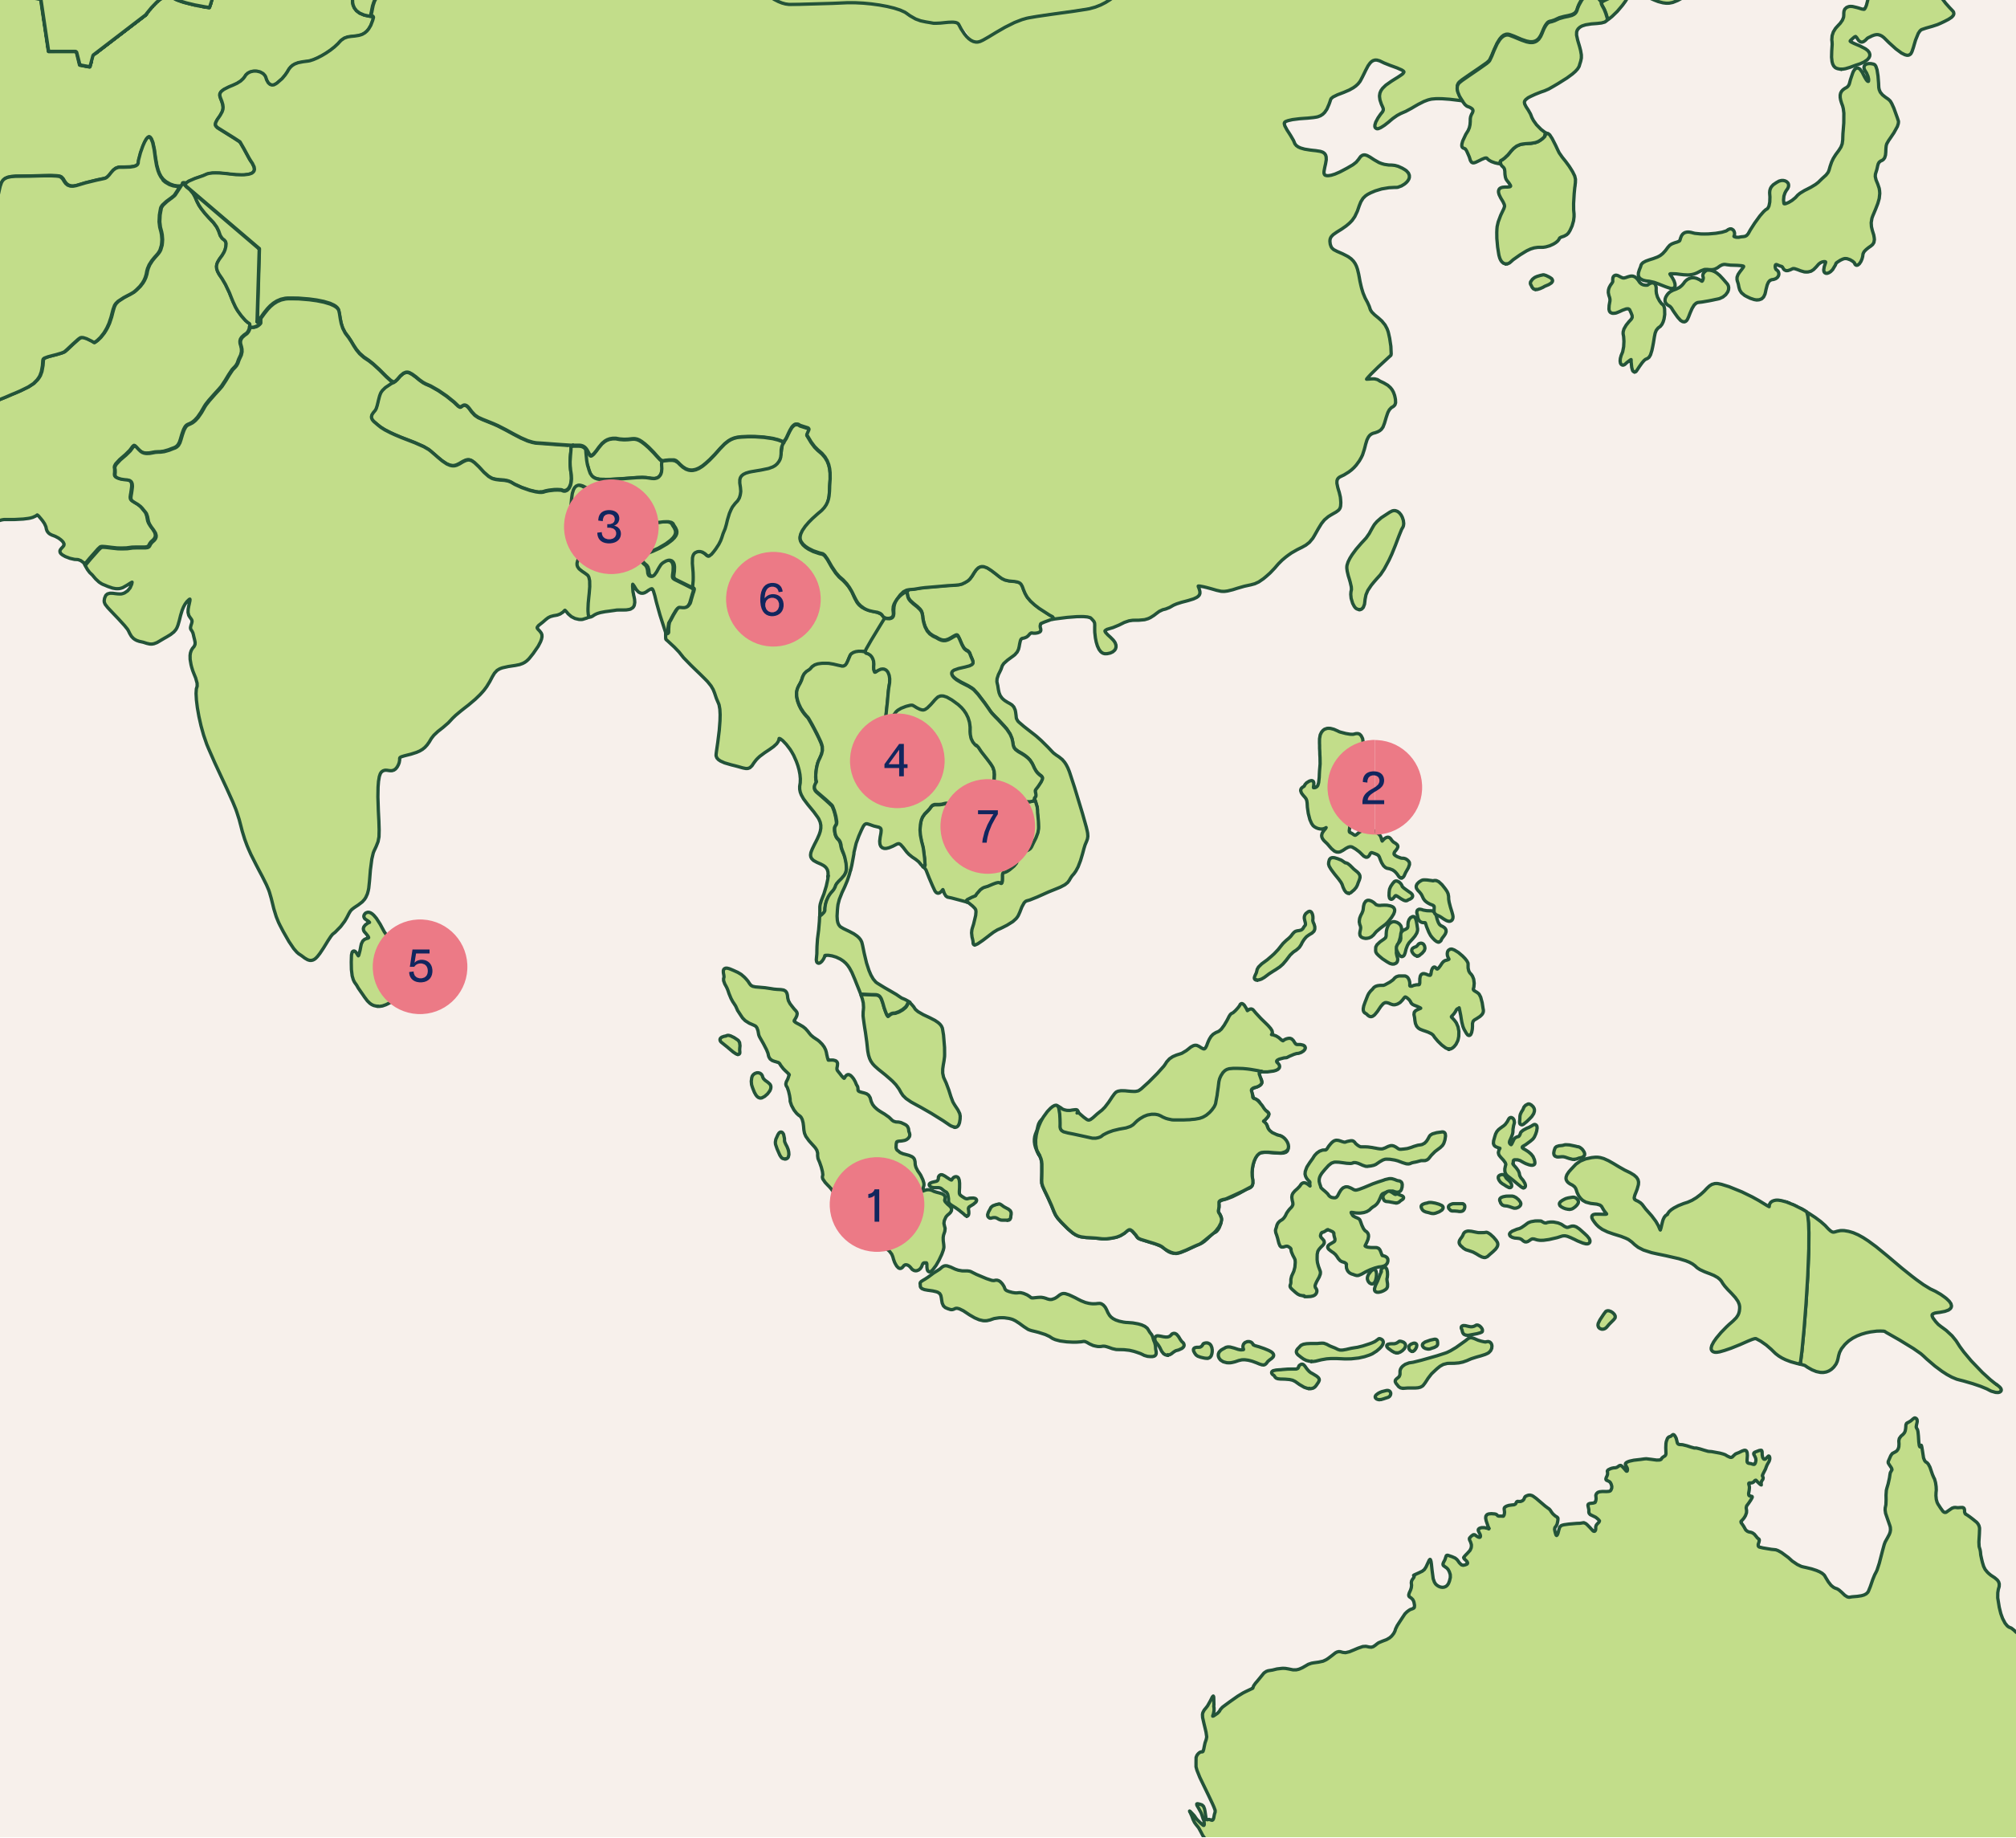

“The most important impact of Compassion is obviously the people who are helped, but the knock-on effect in the hearts and the culture of our church is also really healthy. For a local church pastor my encouragement would be don't view Compassion as something that is going to compete with the ministry program or the mission of your church.”

“Our partnership with Compassion has been instrumental in helping us shine the light of Christ brighter and further. We are deeply thankful for the way this partnership forms our people, connects global mission with local discipleship, releases children from poverty and shapes us to live as a city on a hill.”

–GUY MASON

Senior Pastor, City on a Hill

“I would absolutely encourage any pastor to consider engaging in a greater way with Compassion. It will do something significant in you as the senior leader, in your leadership team and in the heart of your church. It has been powerful to watch our church’s heart for children grow as we partner with Compassion.”

– GERARD KEEHAN

Senior Pastor, Globalheart Church

Who is Compassion?

Compassion partners with churches around the world who know and love their communities and are best placed to release children from poverty in Jesus' name.

Through our proven holistic child development model, we empower local churches, protect children, steward resources faithfully and deliver sustainable impact at scale.

Christ-centred

Jesus is at the heart of everything we do.

Church-driven

We partner exclusively with local churches who are part of their communities already.

Child-focused

We care for every part of a child's development: spiritually, physically, socio-emotionally and cognitively.

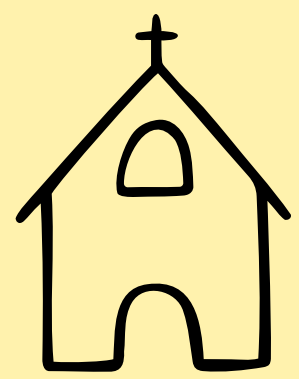

“As I walk through communities where Compassion works, at times I feel overwhelmed by the need. But time and time again I see Jesus working through His Church, transforming lives. When your church partners with Compassion to release children from poverty, you enable churches around the world to transform lives and communities.”

–CLARE STEELE
Compassion Australia CEO

Let's begin the journey

Love doesn't sit still—it moves.

Through prayer, sharing stories and taking action, your church can join a global family of believers choosing to move with compassion for children who need it most.

Host a Compassion Sunday

Create an opportunity for your congregation to respond together. With video storytelling and engaging foyer experiences, your church can respond by sponsoring children living in poverty and stepping into a story bigger than themselves.

Write letters together

Members of your church can put their faith into action in a personal way through letter writing. Each message reminds a child living in poverty that they matter deeply and that God's hope is alive in their story.

Travel with Compassion

Let God rekindle your passion for the Church as you and your team encounter how local churches are transforming lives. These shared experiences will stretch your community and equip you with renewed purpose for prayer and global mission.

Fund a project

Through missions giving, your church can fund projects that meet the real needs of children in areas like education, health, clean water and disaster response.

Together, we can carry
compassion to the hardest places.
We can help release children from
poverty—in Jesus' name.
