COMPASSION AUSTRALIA

A partnership that can change lives

Poverty has a devastating impact on children: they lose their chance to learn and play and are instead exposed to exploitation and hopelessness.

As an international Christian child development charity with 70 years' experience, Compassion exists to change this reality and release children from poverty in Jesus' name. Our Child Sponsorship Program and Critical Needs projects support over 2 million children living in poverty.

But we can't do it alone.

We partner with businesses, churches and individuals just like you to make our shared vision of releasing children from poverty a reality. Whether you have a passion for education, healthcare, infrastructure or sanitation, we can help you make a life-changing impact.

Through your partnership, you can provide urgent support where it's needed most. To find out more, speak to one of our team today.
